*Review, a first look at the Weebly website builder. **Show Your Work Weebly***

Whatever your website, Weebly has an application to help boost your performance. We recommend adding some popular apps like ' Site Booster ', and ' Content Color Box '. Not only does it categorize apps for sales, traffic, social and Weebly-specific, but it even recommends apps just for your website.

Show Your Work! - Meandering in the Middle

One issue that we continue to run into during math class is the failure to show and check their work! Please speak with your student about always showing their work (using strategies), even on homework, so that it becomes habit and they will do so on the test. Guessing and bubbling in any answer just to finish will never

Weebly Website Builder: An in-depth guide

As you start to show your work, pay attention to the feedback you receive. Just like a student in math class, one of the biggest benefits of showing your work is that you're able to refine your process over time. This means incorporating the feedback you receive, but it also means learning from the people who are learning from you.
