Small Steps is a sequel to the book Holes, which was fun to read. In this second book, Sachar follows Armpit as he transitions back into society after his stint at Camp Green Lake. I thought the premise had potential, but in my opinion, it was a fairly transparent story about puppy love and cliché rehabilitation.

A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times \*Includes a double bonus: an excerpt from Small Steps, the follow-up to Holes, as well as an excerpt from the New York Times bestseller Fuzzy Mud.

When Alton's ageing, blind uncle asks him to attend bridge games with him, he agrees. After all, it's better than a crappy summer job in the local shopping mall, and Alton's mother thinks it might secure their way to a good inheritance sometime in the future. But, like all apparently casual choices in any of Louis Sachar's wonderful books, this choice soon turns out to be a lot more complex than Alton could ever have imagined.

As his relationship with his uncle develops, and he meets the very attractive Toni, deeply buried secrets are uncovered and a romance that spans decades is finally brought to conclusion. Alton's mother is in for a surprise!

From the author of the acclaimed bestseller Holes, winner of the Newbery Award and the National Book Award, comes a New York Times bestselling adventure about the impact we have—both good and bad—on the world we live in. Be careful. Your next step may be your last. Fifth grader Tamaya Dhilwaddi and seventh grader Marshall Walsh have been walking to and from Woodridge Academy together

since elementary school. But their routine is disrupted when bully Chad Hilligas challenges Marshall to a fight. To avoid the conflict, Marshall takes a shortcut home through the off-limits woods. Tamaya, unaware of the reason for the detour, reluctantly follows. They soon get lost. And then they find trouble. Bigger trouble than anyone could ever have imagined. In the days and weeks that follow, the authorities and the U.S. Senate become involved, and what they uncover might affect the future of the world. "Sachar blends elements of mystery, suspense, and school-day life into a taut environmental cautionary tale."--Publishers Weekly
