Physical retail isn't dead—but boring retail is! Remarkable Retail equips the savvy retailer with eight essential strategies to bounce back from the covid-19 downturn and thrive in the years to come. Digital

technology has profoundly altered the competitive landscape for retailers. Although the shutdown of 2020 didn't cause this trend, it has dramatically accelerated it, collapsing retailers' transformation timeline into a matter of months, not years. In Remarkable Retail, industry thought leader Steve Dennis argues that it's no longer enough merely to offer convenience, decent prices, or an okay shopping experience. Even very good is no longer good enough. To win and keep customers today, retailers must be nothing short of remarkable. In most retail categories, digital channels are now central to the consumer's journey, but that doesn't mean people aren't also shopping in stores; they're just using them differently, often browsing in one channel and buying in the other. The line between digital and physical stores has been virtually erased; The customer is the channel. Retailers who resist this fact are doomed to perish. The future belongs to those who find new ways to create a remarkable, harmonized customer experience at every touchpoint. Although we saw some high-profile retail brands become casualties of the pandemic, it turns out many of those had underlying conditions, while retailers who had already embarked upon the road to remarkable not only survived but actually emerged in better health than before. Packed with illuminating case studies from some of modern retail's biggest success stories, quick pivots and impressive rebounds, Remarkable Retail presents eight essential strategies for visionary leaders who are prepared to reimagine their way of doing business. A remarkable retailer is digitally enabled, human centered, harmonized, mobile, personal, connected, memorable, and radical. In an age where consumers have short attention spans, myriad options, and a digitally integrated relationship with every brand, Remarkable Retail is your crucial roadmap to creating a powerful retail experience that keeps your customers coming back for more.

In *Inside the Mind of the Shopper*, world-renowned retail consultant Dr. Herb Sorensen, Ph.D. uncovers the truth about the retail shopper and rips away the myths and mistakes that lead retailers to miss their

greatest opportunities. Every year, says Sorensen, shoppers will spend a quadrillion seconds in supermarkets and they'll waste 80% of that time. Drawing on Sorensen's breakthrough second-by-second analysis of millions of shopping trips, this book reveals how consumers actually behave, move, and make buying decisions as they move through supermarkets and other retail stores. Sorensen presents powerful, tested strategies for designing more effective stores, improving merchandising, and driving double-digit sales increases. He identifies simple interventions that can have dramatic sales effects, and shows why many common strategies simply don't work. You'll learn how to appeal to the "quick trip" shopper, make the most of all three "moments of truth," understand consumers' powerful in-store migration patterns, improve collaboration between manufacturers and retailers, learn the lessons of Stew Leonard's and other innovators, and much more. Then, in Part II, Sorensen presents revealing interviews with several leading in-store retail experts, including crucial insights on using technology and retailing to multicultural communities. 2 The world's #1 guide to retail success, complete with crucial, up-to-date insights--including new case studies, ideas, strategies, and tactics from today's best retailers, like TopShop, IKEA, and Best Buy. Competing in Tough Times brings together the powerful new strategies that world-class retailers, like Trader Joe's, Costco, and Nordstrom, are using today to survive--and thrive--in a brutally unforgiving retail environment. Internationally respected retail management expert Barry Berman shows retailers and their suppliers exactly how to build effective strategies based on cost and differentiation, plan and implement those strategies, and measure the results. Berman offers detailed coverage of implementing strategies based on becoming the low-cost provider and minimizing product proliferation; enhancing the service experience; developing and maintaining a strong private label program; and more. From world-renowned experts Richard Hammond and Barry Berman.

customers, with practical winning ideas and strategies. Retail marketing is undergoing cataclysmic change, driven by upheavals in media, consumer attitudes, and the retail industry itself. Retailers know they must invest more heavily in marketing, both to build brands and to drive sales. But how? In *Shopper Intimacy*, two leading experts offer the first comprehensive, research-based guide to building winning retail marketing programs. Drawing on a decade of customer research, the authors introduce:

- A start-to-finish system for planning and executing effective campaigns.
- Powerful new tools for influencing shopper behavior and driving better results.
- Practical, workable techniques for measuring performance – including a breakthrough approach for measuring ROI from the standpoint of all stakeholders.
- Best practices models for integrating internal and syndicated research.
- Trend analysis to help retailers chart the future trajectory of marketing, and position themselves appropriately.
- *Shopper Intimacy* contains extensive case studies, charts, pictures, and illustrations designed to deepen marketers' understanding.

Above all, it presents practical learnings that cut across all retail segments, with data to support the authors' conclusions, and techniques for successfully applying them.
