8 Haiku Nature Poems About Spring. Spring is a time of great renewal. The grasp of winter no longer holds us, and nature reveals incredible beauty. We see budding leavings, opening flowers, rainstorms that showcase rainbows, and the glowing warmth of the sun. Bees buzz from flower to flower, and the birds' songs are heard again in the early morning hours.

Haiku is a type of short form poetry originally from Japan. Traditional Japanese haiku consist of three phrases that contain a kireji, or "cutting word", 17 on in a 5, 7, 5 pattern, and a kigo, or seasonal reference. However, modern haiku vary widely on how closely they follow these traditional elements. Haiku originated as an opening part of a larger Japanese poem called renga. These haiku written as an opening stanza were known as hokku and over time writers began to write them as their own st

Spring Haiku Story

Spring is an anthology of 14 haiku, one per page, which are strung together to create a narrative that tells the story of a stroll that a boy and a girl take together through a village during the spring thaw. The event described by each poem is simple--a snail notices its shadow; a sleeping dog is tickled by the branches of a willow--but the overall effect is rich and entertaining.
