~~Linking Verbs — Perfect English Grammar~~

Stative "Stative" is an adjective which describes something as having a state, or existing (this is a very uncommon adjective). In English grammar a "stative verb" means that the verb describes a state rather than an action. Stative verbs are sometimes known as "state verbs."

~~Dynamic Verbs and Stative Verbs — Examples and Exercises~~

What are stative verbs and how are they used in English? English grammar differentiates between stative verbs (also called state verbs), inchoative verbs, and dynamic verbs (also action verbs). This difference becomes particularly apparent with the continuous tenses (progressive forms) because many state verbs cannot appear in these due to their static nature.
