uplifting, and empowering, Losing It takes you behind the scenes of Valerie's acting career and marriage, recalling the comforts, friendships, and problems of her television family, her close relationships with her parents and brothers, the stress and worries of being the wife of a rock star, and the joys of motherhood. Like many women, Valerie often remembers the state of her life by the food she ate and the numbers on her scale. So despite her celebrity, Valerie's voice is so down-to-earth, honest, and appealing that you'll feel as if you're talking with a girlfriend over coffee. Funny and candid, Valerie recounts her attempts to maintain a healthy self-image while dealing with social pressures to look and act a certain way, and to overcome career insecurities and relationship problems, all of which will be familiar to the hundreds of thousands of women who struggle every day with these same issues. From marital turmoil to the joys of a new career, from being named among Penthouse's ten sexiest women in the world to overhearing whispers about her weight gain in the grocery store, this is Valerie's inspiring journey as she finds new love, raises a terrific kid, and motivates other women as a spokesperson for Jenny Craig.
