“ Stolen Magic (Shadows of the Immortals #1) ” is not lesfic, but it is a frenetically paced adventure with plenty of humor, and it ’ s narrated wonderfully by Hollie Jackson. In a world of “ shapers ” (elites able to use control elements such as fire, water, earth and air), “ shifters ” (yep - werewolves etc) and “ humans ” , MC Lexi doesn ’ t quite know how she fits in.

Unexpected Idea, Stolen magic is quite a twist. I loved the idea of finding a different form of magic in mortals, as well as the world of magic existing in a mortal world without the mortal world being aware of its existence, Looking forward to reading the next in the Shadows of the Immortals series.

Three-hundred years after the fall of Loda Durak, a new evil has risen to test the might and authority of Gruff. A warlock empowered by shadow and darkness has come to usher in a new era on Atoria. Through dark magic, demonic soldiers, and the lost technology of an ancient civilization, Lord Shima forces change and terror on Gruff's planet. With the powerful aid of his three sons and the awesome might of a life-altering stranger, Gruff must once again stand against a fearsome adversary. As Gruff races against time and space to save his world, he must also hold together his band of young and impulsive soldiers who are much too eager to prove their worth. Armed with razor-sharp steel, unimaginable armor, and mind-blowing strength, Gruff and his impetuous men slay demons and beasts on their path to Lord Shima's cancerous kingdom of Atlantis.

“ A remarkable writer. ” —Neil Gaiman, bestselling author of American Gods An Alex Award Winner There is a dark secret that is hiding at the heart of New York City and diminishing the city ' s magicians ' power in this fantasy thriller by acclaimed author Kat Howard. In New York City, magic controls everything. But the power of magic is fading. No one knows what is happening, except for Sydney—a new, rare magician with incredible power that has been unmatched in decades, and she may be the only person who is able to stop the darkness that is weakening the magic. But Sydney doesn ' t want to help the system, she wants to destroy it. Sydney comes from the House of Shadows, which controls the magic with the help of sacrifices from

Edwardian Romance and History Gains a Twist of Suspense Rosemary Gresham has no family beyond the band of former urchins that helped her survive as a girl in the mean streets of London. Grown now, they concentrate on stealing high-value items and have learned how to blend into upper-class society. But when Rosemary must determine whether a certain wealthy gentleman is loyal to Britain or to Germany, she is in for the challenge of a lifetime. How does one steal a family's history, their very name? Peter Holstein, given his family's German blood, writes his popular series of adventure novels under a pen name. With European politics boiling and his own neighbors suspicious of him, Peter debates whether it might be best to change his name for good. When Rosemary shows up at his door pretending to be a historian and offering to help him trace his family history, his question might be answered. But as the two work together and Rosemary sees his gracious reaction to his neighbors' scornful attacks, she wonders if her assignment is going down the wrong path. Is it too late to help him prove that he's more than his name?

Once London's top thief, Barclay Pearce has turned his back on his life of crime and now uses his skills for a nation at war. But not until he rescues a clockmaker's daughter from a mugging does he begin to wonder what his future might hold. Evelina Manning has constantly fought for independence, but she certainly never meant for it to inspire her fiancé to end the engagement and enlist in the army. When the

intriguing man who saved her returns to the Manning residence to study clockwork repair with her father, she can't help being interested. But she soon learns that nothing with Barclay Pearce is as simple as it seems. As 1915 England plunges ever deeper into war, the work of an ingenious clockmaker may give England an unbeatable military edge--and Germany realizes it as well. Evelina's father soon finds his whole family in danger--and it may just take a reformed thief to steal the time they need to escape.

Hugh Collier in “ The Danger Lover ” feels he is living an empty life as a little more than competent bank employee in the town of Stanton. He decides to leave behind a life that for him was a “ caricature and savage cartoon of the beautiful truth that life may be, ” and he heads into the mountains alone, carrying only the essentials on his horse. Even though his efforts at hunting and fishing prove to be failures in the early days, he keeps his spirits up by celebrating his small successes as he travels deeper in the wild. Two things change the course of his adventure: he sees a town from a hill, and a stranger, desperate to file on a claim, convinces Collier to trade horses. Once he walks the stranger ' s horse into the town, he soon finds himself to be mistaken for the outlaw Bill Gadsden by both worshipers of the outlaw and the man after the outlaw, Lassiter. In the title story, twenty-two year old Lewis Dikkon has led a sheltered life, working seven days a week as a shoemaker for his taskmaster uncle, Charles Bender. Being inside most of the time, he knows little of the town and its inhabitants and they have no interest in him, other than as a poorly dressed

oddball. A stranger named Sam Prentiss begins showing up at 8 p.m. every Saturday night to sit in a chair in the shop ' s doorway and look across the street for an hour. Their conversations, though limited, begin to set Dikkon ' s mind to work and before long he decides he wants to buy a gun. When Dan Hodge, the gunman, is killed and his personal items go up for auction, Dikkon gets his Colt, which he believes is a magic gun.

demands his help to stop a deadly plague. He's inclined to refuse the organisation that still wants him dead, until his partner Brix starts showing symptoms - to save her, Gray will do anything, even if it means working with his greatest enemies. But it quickly becomes clear that this is no normal plague. The situation is more complicated, and more lethal, than anyone has realised. Ancient dangers are stirring, and thousands of lives are at stake . . . Praise for Lord of Secrets 'I loved it . . . A perfect mix of traditional and new' Charlie N. Holmberg, author of The Paper Magician 'A fast-paced necromantic adventure' Emily Tesh, author of Silver in the Wood 'All I want is the next book, NOW' K.A. Doore, author of The Perfect Assassin

From the author of the Aurealis-winning Kumiko and the Dragon comes the final captivating book in the Kumiko and the Dragon trilogy. Kumiko is used to having a dragon guarding her night and day, but what she doesn't quite know is why she needs one ... Since discovering the secret of the Shadow Catchers, a group of powerful sorcerers determined to steal magic at any cost, Kumiko knows it's only a matter of time before her family's link to dragons puts them all in grave danger. Is there a way to stop the Shadow Catchers once and for all and will Kumiko take the risk? Kumiko and the Shadow Catchers follows Kumiko's last and most exciting adventure as she travels through a world of shadows and dark magic in order to find freedom for herself and the kingdom of dragons.

Glooms and Circus Mirandus, a windswept girl who can float among the stars searches for her long-lost father at a shadow-filled carnival. "Kassner ' s writing dazzles . . . a tale of hope, courage, and friendship." —Newbery Honor winner Ingrid Law

Left all alone after her mother passes away, twelve-year-old Louisa LaRoche watches the sky for her father. Long ago, a powerful gust of wind swept through town, stealing him away on the wings of his untamed magic—the same magic that stirs within Louisa. As if she is made of hollow bones and too much air, her feet never quite touch the ground. But for all her sky gazing, Louisa finds her fortune on the leaf-strewn street when she spots a gleaming black-and-gold invitation—a ticket to the Carnival Beneath the Stars. If her father fits in nowhere else, maybe she ' ll find him there, dazzling crowds alongside the other strange and wonderful feats. Only, soon after she arrives, a tightrope act ends disastrously—and suspiciously. As fate tugs Louisa closer to the stars, she must decide if she ' s willing to slip into the injured performer ' s role, despite the darkness plucking at the carnival ' s magical threads. In *The Forest of Stars*, Heather Kassner weaves a spectacle of wondrous magic, unexpected friendship, and dark secrets. Featuring illustrations by Iz Ptica. *

"Irresistible." —Kirkus Reviews, starred review "Like the carnival at its heart, this story is richly magical and delightfully eerie." —Cassie Beasley, *New York Times* bestselling author of *Circus Mirandus*
