The clean and positive straight edge hardcore punk movement took hold and prospered during the 1980s, earning a position as one of the most durable yet chronically misunderstood music subcultures. Straight edge created its own sound and visual style, went on to embrace vegetarianism, and later saw the rise of a militant fringe.

News - Crucial Response

When asked what they hated, most of the folks Rettman interviews in Straight Edge: A Clear-Headed Hardcore Punk History (Bazillion Points) would likely respond, "What you got?" Interestingly enough, on the long list of things hardcore musicians and fans say that inspired them, the one common enemy—even more prevalent than Reagan—was the generation of punkers that came before them.

Besides all the backwash and soap-opera moments like Youth of Today VS Uniform Choice, New School VS Old School or Straights Vs Punks that lend all the romantic aura to the book and that, at the time, might have felt as life-defining moments, on Straight Edge: A Clear-Headed Hardcore Punk History there is a very definite chronological line drawn from Teen Idles to the present time. And reading the book, it becomes noticeable that each time Straight-Edge transmuted into something different ...
