Summer Topics • JournalBuddies.com

One of my favorite things about this chapter book for 4th and 5th graders is that the main character keeps a journal of his adventures. So I encourage my students to keep a journal while we read the novel. They are more motivated to write about their daily and weekly lives to compare with the journal entries of the character.

My Summer Journal is a FUN guided journal for kids. It helps kids keep track of all their summer adventures. It's also a creative way for parents to get some writing practice into their children's summer schedule. This journal is designed for daily use. It contains 90 journal pages, allowing children to record 3 months worth of daily adventures. A page per day let's kids keep track of their mood, the weather, list top things of the day, and write a few sentences about what they did that day. The journal also includes introductory pages that let kids keep a running list of: Summer adventures Books they read during the summer Plus, there are some fun creative activities sprinkled throughout the journal. Fun stuff like: decorate a backpack and draw all the cool summer stuff you would put in it, concoct your favorite summer drink, create a summer potion, and so on! The benefits of keeping a summer journal are numerous. Keeping a journal on a regular basis will not only help children think about and reflect on their day, but it will also help them get in touch with their feelings and moods, and will give them plenty of writing practice all summer long.

A fun and interactive way for kids to record their summer adventures. Areas for drawing and recording summer memories. Fits easily into a backpack or carry on luggage. Daily Journal pages to write about summer activities. A great keepsake. Pages include simple questions to capture big and small things that happened each day. Fun for roadtrips.

This wildly funny twist on the "How I spent my summer vacation" school-essay ritual details one child's imaginary adventures over the summer and is perfect for back-to-school! Most kids go to camp over the summer, or to Grandma's house, or maybe they're stuck at home. Not Wallace Bleff. He was supposed to visit his Aunt Fern. Instead, Wallace insists, he was carried off

A classic tale by Newbery Medalist Kate DiCamillo, America's beloved storyteller. One summer ' s day, ten-year-old India Opal Buloni goes down to the local supermarket for some groceries – and comes home with a dog. But Winn-Dixie is no ordinary dog. It ' s because of Winn-Dixie that Opal begins to make friends. And it ' s because of Winn-Dixie that she finally dares to ask her father about her mother, who left when Opal was three. In fact, as Opal admits, just about everything that happens that summer is because of Winn-Dixie. Featuring a new cover illustration by E. B. Lewis and an excerpt of Kate DiCamillo's newest novel, *Raymie Nightingale*.

Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and settle in a Mexican farm labor camp. Esperanza isn't ready for the hard work,

financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances—because Mama's life, and her own, depend on it.

By the New York Times bestselling author of *The Bone Clocks* | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending, philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. *Cloud Atlas* begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for *Cloud Atlas*

“ [David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in magma across this novel's every page.” —The New York Times Book Review

“ One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature.” —Dave Eggers

“ Wildly entertaining . . . a head rush, both action-packed and chillingly ruminative.” —People

“ The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I've never read anything quite like it, and I'm grateful to have lived, for a while, in all its many worlds.” —Michael Chabon

“ *Cloud Atlas* ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent.” —The Washington Post Book World

“ Thrilling . . . One of the biggest joys in *Cloud Atlas* is watching Mitchell sashay from genre to genre without a hitch in his dance step.” —Boston Sunday Globe

“ Grand and elaborate . . . [Mitchell] creates a world and language at once foreign and strange, yet strikingly familiar and intimate.” —Los Angeles Times
