Secrets to find success in the executive job market revealed for the very first time! After the success of his first book Super Secrets of the Successful Jobseeker (over 55 'five-star' reviews on Amazon), former professional recruiter, job market strategist and Career Codex founder Simon Gray returns with specific advice for senior executives. Having worked with senior executive clients from across the world on a private 1-1 basis, for the first time he reveals publicly what it really takes to stand out in the executive job market. Whether you're a CEO in the USA and looking for a job locally or a CFO in the UK and looking to further your career internationally, this book will show you the way. Wherever you are based and no matter what your discipline or industry sector, the strategies and techniques outlined in this book will put you ahead of the competition

Time to find and secure the executive position you deserve. Forget waiting for the right position to be advertised, by then it's often too late. It's time to grab the executive job market by the scruff of the neck - it's time for you to take control of your own destiny! Packed with real-life anecdotes, this book will challenge your beliefs, empower your thinking and give you a completely different approach to other senior executives competing for the job you want. It will make you stand out from the crowd and enable you to open doors you never knew existed or previously found closed. Learn why your CV / resume is not the key to your success, understand the power of the 'hidden market' (the place where a high proportion of senior executive positions exist but few rarely see) and leverage the 'executive jobseeker dichotomy' to its full effect! This book is the inside track and contains the secrets to unlock your success in the executive job market. Using the framework and methodology in this book, you'll be empowered to: Uncover a higher number of executive opportunities in a shorter period of time. Generate a higher probability of converting executive opportunities into job offers. Negotiate a more competitive starting salary and benefits package. Manage your own career and executive job search both now and in the future. By absorbing everything in this book and taking the recommended action, whatever you want from your future career is firmly within your grasp!"

Explains how to get ahead, what to do and what not to do to win in the highly competitive job race. This title explores the psychology of looking for a job and divulges his revolutionary techniques to get noticed and employed in a crowded market.

Learn how Roger Newton, the co-discoverer of Lipitor, made an internal sale against all odds that

the Young & Successful is an express ticket for anyone seeking an edge in getting ahead.

Explains how to get ahead, what to do and what not to do to win in the highly competitive job race. This title explores the psychology of looking for a job and divulges his revolutionary techniques to get noticed and employed in a crowded market.

Everything you need to plan your career and find success in the job market when leaving school, college or university! The job market for those leaving school, college or university is an extremely competitive place. To find success you have to get really clear about what it is you want to do with your career, then think and act differently to everyone else to find and secure the job you want. This book will help you answer the million-dollar question: 'What do I want to do with my life?' It gives you the tools and techniques to go out and proactively find the opportunity you really want, through a proven framework that's easy to follow. The step-by-step approach will empower you to decide on a career that you're passionate about. It will then show you how to position yourself in the right way in front of employers to get noticed and get hired. It builds confidence and employability skills to ensure you turn up 'work ready' and contains a special chapter on starting your own business. This is not a boring textbook; instead it's a practical guide, packed with real-life stories and is based on real-life experience. Forget waiting for the right position to be advertised, by then it's often too late. The future you want is out there - it's time to take control of your destiny!

If you don't sell, you don't have a business. In Secrets of Successful Sales, Alison Edgar, The Entrepreneur's Godmother, brings together psychology and sales to help you develop a winning strategy for increasing sales and growing your business.
