The Fantastic Four fought aliens, but they also struggled with family drama. Spider-Man was a high school kid who fought crime while dealing with bullies, being poor, and not breaking curfew. Also, Marvel Comics dealt with social issues in their stories, most notably the bigotry allegory found in the X-Men books.

Michele McAvoy lives in New Jersey with her husband and two small children. While she spent many years enjoying the busy life of New York City where she attended college and law school, Michele returned to suburbia after the birth of her son. Michele began writing creatively as an outlet after the tragic loss of her father.
