“ Tails Are Not for Pulling ” provides a fun and simply way for toddlers to learn how to safely interact with animals. The author poses the question of what animals are really saying when they bark, meow or squeak. It is suggested that the animals are really telling you how they want you to play with them. “ Fur

and dry tail. You can scissor the tail hairs, clip them, or pull them. For the first time, I suggest using scissors. If you simply trim the wild hairs by holding the scissors vertically alongside the dock, your tail will look a zillion times less shaggy. If you use clippers, have a really good idea how and where you want them to go. I suggest starting on
