Difference Between Teaching and Learning | Difference Between

Teaching and learning are important processes that are linked to the acquisition of knowledge, values, traditions, skills, behaviors, etc. These two processes are at the two ends of the knowledge acquisition process.

Teaching involves imparting knowledge whereas learning involves acquiring knowledge. This is the main difference between teaching and learning.

Teaching and Learning Strategies – TeachAnshi

What is teaching and learning? Teaching is about using various activities to help learners gain the skills and understanding they need for a particular reason e.g. to gain a qualification or to perform a particular job role. You will teach, and your learners will learn.

Learning is about gaining and using new knowledge to demonstrate a change. This change might relate to the performance of a skill, the
