File Type PDF Test Protocol Preschool Language Scale 4

With input from speech pathologists around the U.S., PLS-4 has expanded coverage of language skills and new norms to obtain an even more accurate picture of a child's language skills. Norms The new norms are based on a larger, more diverse sample of approximately 1,500 children, including children with disabilities.

Preschool Language Scale, Fourth Edition (PLS-4) - Pearson ...

I decided to offer my Preschool Language Scales - Fifth Edition (PLS-5) template. It includes a test summary, score table, and summary sections. It's available as a Word document and formatted so you can quickly and easily copy and edit it in your own report. With my templates I try and solve two problems: a) writing and formatting the basics of a test can take up unnecessary time, leaving clinicians less time to write about what the results really mean; b) parents often struggle to ...
