Buddy is a Gummi Bear around Sumi's age. He is a member of the Barbic tribe of Gummi bears and is Ursa 's protege. Despite being a Barbic, Buddy's personality is the most laid back and gentle of the tribe, as he prefers practicing his flute and generally having fun to developing his skills as a warrior. This puts him at constant odds with Ursa, who is adamant that he put away what she believes to be 'childish' pastimes and develop in the true Barbic tradition.

Buddy the Motocross Bike is an exciting children's book that teaches young generation about the lessons in life while giving them something to be excited about while reading a book. "Buddy Learns Confidence" is the first of many Buddy books to come.

Hi! My name is Buddy, and I'm a pit bull dog. I was adopted from the local animal shelter. Now I live in a nice home with my new mom and dad, and I have a brother, Gus. In the beginning, with my first dad, my life was gloom and doom. My new mom noticed I was abused since I walked all hunkered down with my head tilted sideways. I did not trust anyone. Some people think the worst of me since I'm a pit bull. My life has changed a lot from my first home. Now I have lots of friends who like me. My special friend is Lucy. Lucy comes to visit me in my time of need. Lucy will appear from time to time in future books. My mom said there are more stories to tell since I am so smart and full of mischief. I hope you all look forward to reading more stories of the Adventures of Buddy.

Buddy was sad and heartbroken, but the question was why. Then Buddy realized he was alone and needed somebody to love. In all things there is hope. For Buddy, his hope was found in a little girl named Grace. Grace was his somebody to love. And so begins the adventure of Buddy Lav.

Join Buddy the Ball on yet another amazing Adventure, this time as he saves the day! That's Super Buddy! Catch him in disguise. Catch him on the court. Catch him soaring through the clouds.

Buddy the beaver spends the day exploring the pond where he lives, getting to know some new animals and reconnecting with his friends.

Calling readers and daydreamers, word mavens and lovers of adventure! This celebration of the power of books is a rallying cry for letting imaginations soar. We learn important stuff from books. We learn to speak and think. We learn why icebergs stay afloat . . . and why Titanics sink. Have you ever wanted to climb to the top of Everest with one hand behind your back? Kiss a crocodile all by yourself on the Nile River? How about learning how to bottle moonlight, or track a distant star? There are endless things to discover and whole universes to explore simply by reading a book. But books are only smears of ink without the reader's mind to give their letters meaning and bring them to life. With a rollicking, rhyming text and delightful artwork, poet and storyteller Allan Wolf and illustrator Brianne Farley remind us that books, no matter how they may be consumed, give readers of every background an opportunity to expand their world and spark their imagination. With infectious enthusiasm, No Buddy Like a Book offers an ode to the wonders of language—written, spoken, and everything in between.

As a little girl growing up, having a pet of my own was always on my wish list. Christmas of 2012, a four-legged Yorkie named Buddy entered our family. My 10-year-old self was overjoyed and filled with excitement, as Buddy became my closest companion. In April of 2018, I lost Buddy due to an unexpected illness. For days, I found myself sitting in the driveway dreading the thought of walking through the door knowing Buddy would not be there ready to pounce on me. It took weeks to come face to face with the reality that he was gone. I wrote this book not only in remembrance of my dog Buddy, who taught me first-hand to love like there is no tomorrow, but also as a reminder that no matter what, you always have a BUDDY to LUV.

This book is based on my twins. I knew from the day they were born that I wanted to write a book in their honor. I think the best way to honor your children is to teach them that God is in control and they can do whatever they think of in their mind. A dream is just an execution away.
