A key team member behind The Secret and his business partner offer the specific tools and mental strategies to help readers leap ahead in any career or business venture and achieve major financial success. In this visionary work, New York Times bestselling author John Assaraf and business guru Murray Smith reinvent the business book for the twenty-first century. Two of the most successful entrepreneurs in the world, they combine forces to bring their special insights and techniques together in a revolutionary guide for success in the modern business environment. Assaraf and Smith know how to minimize risk and maximize success, and The Answer provides a framework for sharing their wisdom, experience, and skills with the millions of people who want to accomplish their own dreams in life. Using cutting-edge research into brain science and quantum physics, they show how readers can actually rewire their brains for success and create the kind of extraordinary lives they want. By teaching readers how to attract and use newly discovered "uncommon" senses to achieve business success, the authors demonstrate the beliefs, habits, thoughts, and actions that they have used to build eighteen multimillion-dollar companies. Any reader who follows this step-by-step process to build his or her career will experience an enormous life transformation and reach an exceptional level of living.

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "The Answer: Grow Any Business, Achieve Financial Freedom, and Live an Extraordinary Life." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

It's eight o'clock Monday morning. What do you do to outpace the market and grow faster than your competitors? Aligning the Dots provides a clear answer to that deceptively simple question. Although many how-to-grow business books have been published, none offer a pragmatic and reliable blueprint for top-line growth that is built on deep data analysis and a universal framework that leads to revealing insights. Without a clear roadmap to growth, a CEO's demands for innovative product development, better marketing, and increased customer acquisition and conversion often fail to produce desired outcomes. An effective leader understands that without clear direction and guidance, teams will revert to business as usual and no amount of inspirational taglines will help the business grow faster. Aligning the Dots introduces a new paradigm. It's a universal, data-driven and prescriptive methodology, called A4 Precision Alignment(TM), designed to accelerate any business. Based on the profound insight that the maximum top-line growth rate can only be achieved when a business and its target market are perfectly aligned, this methodology reveals how quantitative measurements of alignment form the base for the development a Growth Playbook. That blueprint will guide any business to align the dots to outperform its target market and fly past its competitors.

A Financial Times Book of the Year 2020! Should companies be run for profit or purpose? In this ground-breaking book, acclaimed finance professor and TED speaker Alex Edmans shows it's not an either-or choice. Drawing from real-life examples spanning industries and countries, Edmans demonstrates that purpose-driven businesses are consistently more successful in the long-term. But a purposeful company must navigate difficult trade-offs and take tough decisions. Edmans provides a roadmap for company leaders to put purpose into practice, and overcome the hurdles that hold many back. He explains how investors can discern which companies are truly purposeful and how to engage with them to unleash value for both shareholders and society. And he highlights the role that citizens can play in reshaping business to improve our world. This edition has been thoroughly updated to include the pandemic, the latest research, and new insights on how to make purpose a reality.

Ben Horowitz, cofounder of Andreessen Horowitz and one of Silicon Valley's most respected and experienced entrepreneurs, offers essential advice on building and running a startup—practical wisdom for managing the toughest problems business school doesn't cover, based on his popular ben's blog. While many people talk about how great it is to start a business, very few are honest about how difficult it is to run one. Ben Horowitz analyzes the problems that confront leaders every day, sharing the insights he's gained developing, managing, selling, buying, investing in, and supervising technology companies. A lifelong rap fanatic, he amplifies business lessons with lyrics from his favorite songs, telling it straight about everything from firing friends to poaching competitors, cultivating and sustaining a CEO mentality to knowing the right time to cash in. Filled with his trademark humor and straight talk, The Hard Thing About Hard Things is invaluable for veteran entrepreneurs as well as those aspiring to their own new ventures, drawing from Horowitz's personal and often humbling experiences.

Video can help you close the deal in a virtual world and this book from award winning marketer and author Marcus Sheridan will show you how. With practical advice and step by step instructions, this is the ultimate guide to selling over video - no matter how much you hate watching yourself on the screen. More than ever before, buyers and consumers are demanding for more video. Just "reading" about a product, service, or company will no longer do the trick. Today, they must "see" it. Notwithstanding this increased demand for video, most businesses and organizations have struggled to quickly adapt. In fact, many have no idea as to how or where to get started. For this purpose, The Visual Sale was written. Finally, businesses and organizations have a clear guide that will literally show them, in simple, clear, and actionable terms, exactly how they can build a culture of video and start "showing it" moving forward, ultimately leading to a dramatic improvement to their sales numbers, marketing strategy, and overall customer experience.

Each year Americans start one million new businesses, nearly 80 percent of which fail within the first five years. Under such pressure to stay alive—let alone grow—it's easy for entrepreneurs to get caught up in a never-ending cycle of "sell it—do it, sell it—do it" that leaves them exhausted, frustrated, and unable to get ahead no matter how hard they try. This is the exact situation Mike Michalowicz found himself in when he was trying to grow his first company. Although it was making steady money, there was never very much left over and he was chasing customers left and right, putting in twenty-eight-hour days, eight days a week. The punishing grind never let up. His company was alive but stunted, and he was barely breathing. That's when he discovered an unlikely source of inspiration—pumpkin farmers. After reading an article about a local farmer who had dedicated his life to growing giant pumpkins, Michalowicz realized the same process could apply to growing a business. He tested the Pumpkin Plan on his own company and transformed it into a remarkable, multimillion-dollar industry leader. First he did it for himself. Then for others. And now you. So what is the Pumpkin Plan? Plant the right seeds: Don't waste time doing a bunch of different things just to please your customers. Instead, identify the thing you do better than anyone else and focus all of your attention, money, and time on figuring out how to grow your company doing it. Weed out the losers: In a pumpkin patch small, rotten pumpkins stunt the growth of the robust, healthy ones. The same is true of customers. Figure out which customers add the most value and provide the best opportunities for sustained growth. Then ditch the worst of the worst. Nurture the winners: Once you figure out who your best customers are, blow their minds with care. Discover their unfulfilled needs, innovate to make their wishes come true, and overdeliver on every single promise. Full of stories of other successful entrepreneurs, The Pumpkin Plan guides you through unconventional strategies to help you build a truly profitable blue-ribbon company that is the best in its field.
