Victoria " V.E. " Schwab is the #1 NYT, USA, and Indie bestselling author of more than a dozen books, including Vicious, the Shades of Magic series, and This Savage Song. Her work has received critical acclaim, been featured by EW and The New York Times, been translated into more than a dozen languages, and been optioned for TV and Film. The Independent calls her the " natural successor to Diana Wynne Jones " and touts her " enviable, almost Gaimanesque ability to switch between styles ...

The Archive, an otherworldly library, contains the bodies of everyone who has ever died. But when the Archive is compromised from within, sixteen-year-old Mackenzie Bishop must use her skills as a Keeper to identify the traitor and prevent violent Histories from escaping into our world. The first in a dark, dazzlingly inventive YA fantasy series from the author of The Near Witch.

"When an otherworldly library called the Archive is compromised from within, sixteen-year-old Mackenzie Bishop must prevent violent, ghost-like Histories from escaping into our world"--

Each body has a story to tell, a life seen in pictures only Librarians can read. The dead are called Histories, and the vast realm in which they rest is the Archive. Da first brought Mackenzie Bishop four years ago, when she was twelve years old, frightened but determined to prove herself. Now Da is dead, and Mac has grown into what he once was: a ruthless Keeper, tasked with stopping often-violent Histories from waking up and getting out. Because of her job, she lies to the people she loves, and she knows fear for what it is: a useful tool for staying alive. Being a Keeper isn ' t just dangerous – it ' s a constant reminder of those Mac has lost. Da ' s death was hard enough, but now that her little brother is gone too, Mac starts to wonder about the boundary between living and dying, sleeping and waking. In The Archive, the dead must never be disturbed. And yet, someone is deliberately altering Histories, erasing essential chapters. Unless Mac can piece together what remains, the Archive itself may crumble and fall.

Each body has a story to tell, a life seen in pictures only Librarians can read. The dead are called Histories, and the vast realm in which they rest is the Archive. Last summer, Mackenzie Bishop, a Keeper tasked with stopping violent Histories from escaping the Archive, almost lost her life to one. Now, as she starts her junior year at Hyde School, she ' s struggling to get her life back. But moving on isn ' t easy, not when her dreams are haunted by what happened. She knows the past is past, knows it cannot hurt her, but it feels so real. When her nightmares begin to creep into her waking hours, she starts to wonder if she ' s truly safe. Meanwhile, people are vanishing without a trace, and the only thing they seem to have in common is Mackenzie. She ' s sure the Archive knows more than they are letting on, but before she can prove it, she becomes the prime suspect. Unless Mac can track down the real culprit, she ' ll lose everything: not only her role as Keeper, but her memories – and even her life. Can Mackenzie untangle the mystery before she herself unravels?

Imagine a place where the dead rest on shelves like books. Each body has a story to tell, a life seen in pictures only Librarians can read. The dead are called Histories, and the vast realm in which they rest is the Archive. Mackenzie Bishop's grandfather first brought her here four years ago, when she was twelve years old, frightened but determined to prove herself. Now her grandfather is dead, and Mac has grown into what he once was: a ruthless Keeper, tasked with stopping often violent Histories from waking up and getting out. Because of her job, she lies to the people she loves, and she knows fear for what it is: a useful tool for staying alive. Follow Mackenzie as she explores the boundary between living and dying, sleeping and waking, through these two timeless novels, now bound together in this thrilling collection. With stunning prose and a captivating mixture of action, romance, and horror, The Dark Vault delves into a richly imagined world where no choice is easy and love and loss feel like two sides of the same coin.

From #1 NYT bestselling author Victoria Schwab comes a sweeping, spooky, evocative adventure, perfect for fans of "Stranger Things" and Miss Peregrine's Home for Peculiar Children. A New York Times bestseller!Ever since Cass almost drowned (okay, she did drown, but she doesn't like to think about it), she can pull back the Veil that separates the living from the dead . . . and enter the world of spirits. Her best friend is even a ghost.So things are already pretty strange. But they're about to get much stranger.When Cass's parents start hosting a TV show about the world's most haunted places, the family heads off to Edinburgh, Scotland. Here, graveyards, castles, and secret passageways teem with restless phantoms. And when Cass meets a girl who shares her "gift," she realizes how much she still has to learn about the Veil -- and herself.And she'll have to learn fast. The city of ghosts is more dangerous than she ever imagined.#1 NYT bestselling author Victoria Schwab delivers a thrillingly spooky and action-packed tale of hauntings, history, mystery, and the bond between friends (even if that friend is a ghost . . .).

Cram ten hormonal teens into a spaceship and blast off: that ' s the premise for the ill-conceived reality show Waste of Space. The kids who are cast know everything about drama—and nothing about the fact that the production is fake. Hidden in a desert warehouse, their spaceship replica is equipped with state-of-the-art special effects dreamed up by the scientists partnering with the shady cable network airing the show. And it ' s a hit! Millions of viewers are transfixed. But then, suddenly, all communication is severed. Trapped and paranoid, the kids must figure out what to do when this reality show loses its grip on reality.

NEW YORK TIMES bestseller Brand new edition of Victoria Schwab's long out-of-print, stunning debut All-new deluxe edition of an out-of-print gem, containing in-universe short story "The Ash-Born Boy" and a never-before-seen introduction from V.E. Schwab. The Near Witch is only an old story told to frighten children. If the wind calls at night, you must not listen. The wind is lonely, and always looking for company. There are no strangers in the town of Near. These are the truths that Lexi has heard all her life. But when an actual stranger, a boy who seems to fade like smoke, appears outside her home on the moor at night, she knows that at least one of these sayings is no longer true. The next night, the children of Near start disappearing from their beds, and the mysterious boy falls under suspicion. As the hunt for the children intensifies, so does Lexi's need to know about the witch that just might be more than a bedtime story, about the wind that seems to speak through the walls at night, and about the history of this nameless boy. Part fairy tale, part love story, Victoria Schwab's debut novel is entirely original yet achingly familiar: a song you heard long ago, a whisper carried by the wind, and a dream you won't soon forget.

A New York Times bestseller The bestselling sequel—and conclusion—to Victoria Schwab ' s instant #1 New York Times bestseller This Savage Song. Kate Harker is a girl who isn ' t afraid of the dark. She ' s a girl who hunts monsters. And she ' s good at it. August Flynn is a monster who can never be human. No matter how much he once yearned for it. He has a part to play. And he will play it, no matter the cost. Nearly six months after Kate and August were first thrown together, the war between the monsters and the humans is a terrifying reality. In Verity, August has become the leader he never wished to be, and in Prosperity, Kate has become the ruthless hunter she knew she could be. When a new monster emerges from the shadows—one who feeds on chaos and brings out its victim ' s inner demons—it lures Kate home, where she finds more than she bargained for. She ' ll face a monster she thought she killed, a boy she thought she knew, and a demon all her own. A gorgeously written dark fantasy from New York Times–bestselling author Victoria Schwab, and one to hand to fans of Holly Black, Laini Taylor, and Maggie Stiefvater. " Explosive. " —Brightly

A masterful tale of ambition, jealousy, desire, and superpowers. Victor and Eli started out as college roommates—brilliant, arrogant, lonely boys who recognized the same sharpness and ambition in each other. In their senior year, a shared research interest in adrenaline, near-death experiences, and seemingly supernatural events reveals an intriguing possibility: that under the right conditions, someone could develop extraordinary abilities. But when their thesis moves from the academic to the experimental, things go horribly wrong. Ten years later, Victor breaks out of prison, determined to catch up to his old friend (now foe), aided by a young girl whose reserved nature obscures a stunning ability. Meanwhile, Eli is on a mission to eradicate every other super-powered person that he can find—aside from his sidekick, an enigmatic woman with an unbreakable will. Armed with terrible power on both sides, driven by the memory of betrayal and loss, the archnemeses have set a course for revenge—but who will be left alive at the end? In Vicious, V. E. Schwab brings to life a gritty comic-book-style world in vivid prose: a world where gaining superpowers doesn't automatically lead to heroism, and a time when allegiances are called into question. "A dynamic and original twist on what it means to be a hero and a villain. A killer from page one...highly recommended!" —Jonathan Maberry, New York Times bestselling author of Marvel Universe vs The Avengers and Patient Zero One of Publishers Weekly's Best Fantasy Books of 2013 At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
