Wolf shifter Nathan Caldwell likes things casual when it comes to women, keeping them at arm's length and never letting them get too close. So, when he meets the one, the mate his animal has chosen, he gets the surprise of his life when she rejects him. Geologist Dr. Violet Robichaux is focused on her career and science. She keeps a tight reign on her emotions and her tiger, so when her animal chooses the foul-mouthed and rude wolf as her mate, she quickly shuts that down. Her stay in Blackstone is temporary, after all, and she can't let her tiger or her heart make her decisions. But there's another reason she can't stay, one that's a matter of life and death. When danger brings them closer together, Violet and Nathan must face the odds to help a friend in need. They risk their lives to do the right thing, but also grow closer. Can Nathan convince Violet they're meant to be together or will she resist the growing attraction so she can leave Blackstone with her heart intact? The Blackstone wolf is full-length paranormal romance novel with explicit love scenes, naughty language, and shifter suspense action with guaranteed HEA and no cliffhangers! Secrets are finally revealed in this stunning conclusion to the True Mates Generations series Spoiled, rich, and vain Isabelle Anderson has grown up. After being left pregnant and alone by her True Mate, she's finally standing on her own two feet and built a life for herself and her son. But, when Ransom turns up unexpectedly, the foundations of her life are threatened and she knows she must do everything she can to prevent him from finding out that he is her son's father. But more than that, she must also protect her own heart, which yearns for him despite his betrayal. The moment he saw her, Lone Wolf Ransom knew he had to have Isabelle. The vapid and selfish princess was hiding a heart of gold, and one smile from her melted his resistance. But, circumstances forced him to push her away, for her own good. There was a plan that was set in motion long ago, and she was a complication he couldn't afford, not when he was so close to what he wanted: revenge on those who wronged him in the past. He managed to stay away from her, but when her life is threatened, it was seemingly impossible for him to ignore it and he seeks her out to protect her. When they cross paths, that old attraction sparks again-but was it really ever extinguished? Will Isabelle be able to keep the existence of their son from him? Can Ransom put revenge aside for good in order to win her back and prove to her they were meant to be together? But their enemies have ramped up in full force and their threat is much bigger than both of them. As the fight heats up, can they focus on defeating the mages, while ignoring the call of True Mates? Or will the mages finally get what they want-the destruction of the Lycans and rule over of the entire world and humankind?

Sybil Lennox longed for a mate of her own, but she wasn't expecting the dragon Prince Aleksei to swoop into town and proclaim her as his. Even though her own dragon wants him, he's too arrogant, brash, and dominant for her tastes and she fights her attraction to him. Why couldn't fate have given her a normal guy? His Royal Highness, Prince Aleksei of the Northern Isles came to Blackstone to forge an alliance with Henry Lennox to fight a common enemy. But, he never imagined that he would meet his one fated mate. Sybil Lennox was exquisite and one of the few eligible female dragons in the world. While her reluctance confounds and frustrates him, he knows she's worth the chase and he would do anything to prove to her that they were meant to be together. As danger looms over Blackstone and Sybil, Aleksei risks his own life to protect his mate and those she holds dear. And, despite her own reservations, Sybil begins to fall for the dragon prince, as he shows there's more to him than meets the eye. Can they defeat the enemy and save everyone? Or is this the end of Blackstone? The Blackstone She-Dragon is full-length paranormal romance novel with explicit love scenes, naughty language, and shifter suspense action with guaranteed HEA, no cheating and no cliffhangers!

"The Black Stone" is a short story by Robert Ervin Howard. Robert Ervin Howard (January 22, 1906 - June 11, 1936) was an American author who wrote pulp fiction in a diverse range of genres. He is well known for his character Conan the Barbarian and is regarded as the father of the sword and sorcery subgenre. Howard was born and raised in the state of Texas. He spent most of his life in the town of Cross Plains with some time spent in nearby Brownwood. A bookish and intellectual child, he was also a fan of boxing and spent some time in his late teens bodybuilding, eventually taking up amateur boxing. From the age of nine he dreamed of becoming a writer of adventure fiction but did not have real success until he was 23. Thereafter, until his death at the age of 30 by suicide, Howard's writings were published in a wide selection of magazines, journals, and newspapers, and he had become successful in several genres. Although a Conan novel was nearly published into a book in 1934, his stories never appeared in book form during his lifetime.

For 20 years, Dashrath Manjhi used a hammer and chisel, grit and determination to carve a path through the mountain separating his poor village from the nearby village with schools, markets, and a hospital. This inspirational story shows how everyone can make a difference if their heart is big enough. Full color.

Pack Rule #1: Never reveal to a human. I broke that rule the day I met the beautiful doctor. I might be a rodeo champ, but one look at her, and I lost my concentration. The bull tossed and gored me, and now the sweet female is on to me. When I healed within hours, she knew something wasn't right. My alpha told me to watch her. Not a problem. I'll watch her all right. Real close. I'll stick to her like superglue. And those human men who want to date her? They'd better step back. Because the doctor is all mine. Whether she knows it yet or not.
