" Turney Duff 's The Buy Side picks up where the Academy Award-winning film about systemic corruption on Wall Street, 'Inside Job', leaves off. Duff, who at one time was the promising rookie on the trading desk at troubled hedge fund Galleon, gives us a front-row seat to the Street 's dark side—but the tale also features a personal story that will have you cheering as Duff fights his way through a jungle of excess and figures out what really matters.

Understanding Sell-Side . The sell-side and buy-side of Wall Street are two sides of the same coin. One is dependent upon the other and could not operate without the other. The sell-side tries to ...

Sell-Side Definition

The ceiling on the buy-side is much higher because if you invest well, the sky 's the limit. For example, top hedge fund managers could make hundreds of millions or even billions in a great year. On the sell-side, meanwhile, the ceiling is much lower for Partners and Managing Directors.

Buy-Side vs Sell-Side: Key Differences in Hours, Work ...

I personally know of some people who chose very good sell side offers over decent buy side ones because they wanted to to end up at an "elite" (subjective) PE/HF that didn't necessarily recruit undergrads or, if they did, took like 2 analysts from H or W. With PE and even HF recruitment becoming more structured, I would say an argument could be made for starting in the sell side.

Buy side. Institutional money managers, such as mutual funds, pension funds, and endowments, are the buy side of Wall Street. Buy-side institutions use proprietary research to make investments for the portfolios they manage and don't interact with or make recommendations to individual investors. In contrast, sell-side institutions such as brokerage firms act as agents for individual investors when they buy and sell securities, and make their research available to their clients.

Buy side financial definition of buy side

For most, the answer comes easily. As the hours and pay are better, most prefer the buy side. There is also that extemporaneous angle of not being owned by the client and truly having a hand in your own fate. That having been said, the work is not all that different.
