The Cannabis Breeder's Bible: The Definitive Guide to ...

The Cannabis Grow Bible. by Greg Green. Breeding cannabis strains is all about manipulating gene frequencies. Most strains that are sold by reputable breeders through seed-banks are very uniform in growth. This means the breeder has attempted to lock certain genes down so that the genotypes of those traits are homozygous.

How to breed a true strain - Cannabis Grow Bible

Without expert cannabis breeders and seed banks, we would not have the diverse and eclectic mix of strains that we all get to enjoy today. Here you can find a list of breeders from across the globe. Read all about who they are, the strains they have in their catalog and of course their reviews.

The Cannabis Breeder's Bible PDF | Books Download For Free

Where in the Bible does it say marijuana is a sin? There are no passages in the Bible that mention the use of cannabis as something sinful, but there are two important factors to consider, and they are pretty conflicted. The holy scripture mentions several times that all plants on God's green Earth were created for consumption. This is ...
