The Defining Decade: Why Your Twenties Matter and How to ...

The Defining Decade (2012) Our \"thirty-is-the-new-twenty\" culture tells us that the twentysomething years don't matter. Some say they are an extended adolescence. Others call them an emerging adulthood. But what if thirty is not the new twenty? Meg Jay argues that twentysomethings have been caught in a swirl of hype and misinformation, much of which has trivialized what is actually the most transformative period of our adult lives.
