Where have all the bedtime stories gone? A delightful addition to the picture book canon about the love of reading One dark, dark night in Burrow Down, a rabbit named Eliza Brown found a book and settled down...when a Snatchabook flew into town. It's bedtime in the woods of Burrow Down, and all the animals are ready for their bedtime story. But books are mysteriously disappearing. Eliza Brown decides to to stay awake and catch the book thief. It turns out to be a little creature called the Snatchabook who has no one to read him a bedtime story. All turns out well when the books are returned and the animals take turns reading bedtime stories to the Snatchabook.

Who's that singing on the savannah? It's the top-five ugly animals in Africa! The wildebeest, warthog, vulture, hyena and marabou stork swagger proudly across the savannah, rejoicing in their ugliness - and delighting their babies, who think they're perfect just the way they are.

Molly: The True Story of the Amazing Dog Who Rescues Cats tells the heartwarming story of the man-and-dog team behind the United Kingdom Pet Detective Agency—how Colin, in need of a new lease on life, rescues Molly the dog, and how Molly in turn rescues many more beloved lost pets. As a veteran of the Royal Navy and longtime police officer, Colin Butcher was no stranger to dangerous situations. But a career in uniform can wear anyone down, so, in 2003, Colin left the force to start his own private detective agency, specializing in helping reunite people with their missing pets. And yet, despite his hundreds of successes, there were still heartbreaking cases where Colin couldn't find the missing on his own. He knew he needed a partner. When Colin first met Molly, his friends doubted that she would be up for the job. Where Colin was battle-tested, Molly was young and inexperienced. She was willful, wayward, and stubborn. But Colin could tell that Molly was unusually charismatic and intelligent. He decided to take a risk and bring on Molly for training. Yes, Molly is no ordinary deputy, but a black Cocker Spaniel, and this is no ordinary detective agency. Trained by the top canine behavioral experts at Medical Detection Dogs, Molly can find missing cats—who are uniquely skilled at eluding humans—by detecting a unique scent signature, and she has been wildly successful. The work is not always easy. Molly has faced hardships ranging from a near-fatal snakebite to the challenge of winning over Colin's girlfriend, Sarah. But through it all, Colin and Molly share an enduring love and affection. More than a working relationship, Molly is part of the family. Together, they are the Sherlock and Watson of missing pets.

Yes, Chicagoland is an odd place. But the word is out that Megan, Raf, and Raf's talking dog Bradley are the team to go to when weirder things than usual start happening. Their Chicagoland Detective Agency takes danger in hand (and paw) to find a mysteriously missing puppy and an even more mysterious pack of dogs that only shows up once a month. Bradley's nose knows from the start that this is more than a simple case of stray pets . . . and a whole lot more than a stray case of full-moon transmogrification! Will high tech and haikus be enough to save them from the world's worst case of doggy breath?

Stormy, a standard schnauzer, works in a lab to detect cancer. Belle, a beagle that's been called a "wonder dog," is trained to sense when her owner is about to lose consciousness from diabetes. In Medical Detective Dogs, children will read many fascinating stories about dogs such as Stormy and Belle that use their sense of smell to detect deadly human illness and alert people who suffer from life-threatening seizures. Full-color photographs and narratives of heroic dogs in action will entertain young readers.

Jack and Max think a ghost has taken their kitten. Of course, Detective Dog knows there is no such thing as a ghost, but he must go look in a creepy old house. And that's when his rib-tickling problems begin!

I could smell him - or rather the booze on his breath - before he even opened the door, but my sense of smell is pretty good, probably better than yours. So begins this fabulous, funny new detective novel featuring Bernie, a slightly down-at-heel PI; and his off sider, Chet, a dog - and the captivating narrator of the story. Chet may have flunked out of police school (I'd been the best leaper in K-9 class, which had led to all the trouble in a way I couldn't remember exactly, although blood was involved), but he's just as much a detective as Bernie - superior, sometimes, in his insight into human foibles. In Dog On It, their first adventure, Chet and Bernie investigate the disappearance of a teenage girl who may or may not have been kidnapped, but who's definitely gotten herself mixed up with some very unsavoury characters.

Kat Albrecht is the acknowledged expert on training dogs to find lost pets - "dog detectives." As the founder of the Missing Pet Partnership and Pet Hunters International, she has devoted years to developing proven methods to train dogs to work as cat-detection dogs and trailing dogs to search for a wide variety of companion animals. The book presents detailed, step by step, reward-based training methods as well as information on how to assess a dog's potential to be a dog detective and what you need to know as a prospective handler. Whether you desire to perform this service professionally or as a hobby, you can help people suffering from the trauma associated with a lost pet.

Detective Dog needs a vacation. But can he get any rest?
