In The Dogs of Riga, the author does not seem to have decided what sort of character Wallander is going to be. The story starts in the familiar setting of Ystad, Wallander's home town, where two murdered men are found in a rubber lifeboat washed up on a nearby beach, and has much of the atmosphere that we now know from the later novels.

This story is loaded with action, violence and cliffhanging danger--with many scenes of genuinely threatening, potentially lethal peril to both Kurt and Baiba. "The Dogs of Riga" would make a fantastic film! I have a friend from Latvia, and will give her a copy for Christmas.
