Kirjakamari ?Mika Waltari The Egyptian (1954) - Part 6 The Egyptian Mika Waltari

The Egyptian is a classic historical novel by Finnish writer Waltari and set in the Egypt of the 14th century BCE. The main protagonist and narrator is Sinuhe, priest-physician to the Pharaohs Amenhotep III and Akhenaten (called Akhnaton in the story), whose consort, Nefertiti, is the subject of the above quotation. What I found surprising in the story is that Nefertiti plays a much lesser ...

The Egyptian by Waltari - AbeBooks

Waltari, the Egyptian et al. Mika Waltari was born in Helsinki in 1908. His father died when he was six, so the boy's education was put in the hands of his mother Olga Johansson and his uncle Toivo. Waltari's childhood circumstances had a strong influence on his writing.

First published in the 1940s and widely condemned as obscene, The Egyptian outsold every other American novel published that same year, and remains a classic; readers worldwide have testified to its life-changing power. It is a full-bodied re-creation of a largely forgotten era in the world's history: an Egypt when pharaohs contended with the near-collapse of history's greatest empire. This epic tale encompasses the whole of the then-known world, from Babylon to Crete, from Thebes to Jerusalem, while centering around one unforgettable figure: Sinuhe, a man of mysterious origins who rises from the depths of degradation to get close to the Pharaoh...

Online Library The Egyptian Mika Waltari

Set in Egypt, more than a thousand years before Christ, it encompasses all of the then-known world. It is told by Sinhue, physician to the Pharaoh Akhenaton, and is the story of his life. Through his eyes are seen innumerable characters, fully drawn and covering the whole panorama of the ancient world.

Historical novel about Constantinople at the time of its fall, in 1452-1453.

First published in 1956, *The Etruscan* is a fiction novel by Finnish author Mika Waltari. Beginning around 480 B.C., the story takes us on the spiritual journey of a young man named Lars Turms as he adventures through Ancient Greece to Sicily, Rome and, finally, Tuscany, searching for the meaning of life. He gradually becomes aware of his immortality and his duties to the future. Although set in ancient civilization, the book poses many of life's existential questions asked to this day, and the reader will find timeless answers to these timeless questions through the main character.

Against a background of the strife-torn land of Judea two thousand years ago, Mika Waltari has written what is certainly his most important novel. Seeking the meaning to his life in the study of philosophy, the young Roman. Marcus Manilianus, discovers in an Alexandrian library a vast number of predictions, all tending to confirm his own feeling that the world is about to enter upon a new era. Two chance encounters with Jews who proclaim the coming of a world leader whom they call the Messiah or King, cause Marcus to

resolve to make a visit to the Holy City of the Jews. He arrives outside Jerusalem in time to see crowds—some curious, some shocked—staring up at three crosses on a nearby mound. Above the center cross, an inscription had been fixed: JESUS OF NAZARETH, KING OF THE JEWS. The quest that ensues leads Marcus through all parts of Jerusalem and into contact with men and women of all stations of life who had known this remarkable man. And by degrees, wonderful if strange things are revealed to him of Jesus' teaching, and he experiences the odd sensation of almost believing in the destiny of this crucified Roman among the alien Jews, Stands alone on the borderline of two worlds, feelings he belongs to neither, and it becomes vital to him to find "the way, "the Kingdom," to again knowledge and certainty, not merely belief. What follows, as Marcus pursues his search for the promised secret of the Kingdom, bring to a climax as exciting and deeply moving a novel as Mika Waltari, certainly one of the world's outstanding historical novelists, has ever written. It is a story of a time long past, yet it deals with a theme as modern as today: the dilemma of modern man and his culture in gaining and retaining a faith. And always present throughout the novel is the splendor, the irony and humor which have so delighted millions of readers of other Waltari novels from *The Egyptian* to *The Etruscan*.

Fast-paced and historically accurate, *Nefertiti* is the dramatic story of two unforgettable women living through a remarkable period in history. Nefertiti and her younger sister, Mutnodjmet, have been raised in a powerful family that has provided wives to the rulers of Egypt for centuries. Ambitious, charismatic, and beautiful, Nefertiti is destined to marry Amunhotep, an unstable young pharaoh. It is hoped that her strong personality will temper the young ruler's heretical desire to forsake Egypt's ancient gods. From the moment of her arrival

in Thebes, Nefertiti is beloved by the people but fails to see that powerful priests are plotting against her husband's rule. The only person brave enough to warn the queen is her younger sister, Mutnodjmet. Observant and contemplative, Mutnodjmet has never shared her sister's desire for power. She yearns for a quiet existence away from family duty and the intrigues of court. But remaining loyal to Nefertiti will force Mutnodjmet into a dangerous political game; one that could cost her everything she holds dear. Teeming with love, betrayal, political unrest, plague, and religious conflict, Nefertiti brings ancient Egypt to life in vivid detail. "Meticulously researched and richly detailed . . . an engrossing tribute to one of the most powerful and alluring women in history." –Boston Globe

"This anthology contains all the substantial surviving works from the golden age of Ancient Egyptian fictional literature (c.1940-1640 B.C.). Composed by an anonymous author in the form of a funerary autobiography, the Tale tells how the courtier Sinuhe flees Egypt at the death of his king. His adventures bring wealth and happiness, but his failure to find meaningful life abroad is only redeemed by the new king's sympathy, and he finally returns to the security of his homeland. Other works from the Middle Kingdom include a poetic dialogue between a man and his soul on the problem of suffering and death, a teaching about the nature of wisdom which is bitterly spoken by the ghost of the assassinated King Amenemhat I, and a series of light-hearted tales of wonder from the court of the builder of the Great Pyramid."--Jacket.
