The Escape A Forest Lord Short Story

So this is a super short fun tale that fits in with McKay's Forest Lord Series. It slots in nicely between books 2 & 3 so I'd advise not reading this until you've finished book 2 at least. McKay's Forest Lord series mainly focuses around Robin Hood as you'd expect so this short is a good chance to shine light on Little John.

To escape his exile in an enchanted forest prison, Hern, the Forest Lord, masquerades as a mortal to seek revenge on Eden Fleming, the woman whom he believed had betrayed him, and steal back his son, but he soon discovers that his only chance for escape and hope for love is the woman he has vowed to destroy. Original.

After a daring escape and rescue, Almas finds himself with his family and friends fleeing the invading armies of the Lich Lords with a large group of refugees. With their escape cut off they must follow his friend, Ulec through a forest full of mysteries and dangers as perilous as the Undead armies following them.

Three short tales from the bestselling Forest Lord series, two of which are in the exclusive Kindle Singles Program, published in paperback for the first time. THE ESCAPE All he wanted was a quiet drink... It's spring, 1323 AD, and John Little, notorious outlaw, seeks to forget his troubles in a Barnsley alehouse. He didn't count on the place being packed to the rafters with drunk, belligerent Scottish mercenaries though. This stand-alone Forest Lord tale sees one of England's favourite sons in a battle for his very life that will hugely entertain all lovers of action and adventure. "A short tale of Little John that packs a wallop as vicious as his quarterstaff!" - Parmenion Book Reviews THE PRISONER When two lawmen are sent to a snowy English village to arrest a vicious rapist it seems a straightforward task, but is all as it first appears? ENGLAND, 1325 AD As Robin Hood and John Little, legendary former outlaws themselves, take the criminal into custody they find the people of Stapleford accommodating enough. The terrified victim's bruises are plainly, painfully, visible and a local nobleman confirms her accusations. As they set off on the road back to Nottingham the lawmen's disgust for their captive's actions colours their opinion of him and John has to be restrained from brutally assaulting the man. The harsh winter conditions slow their journey though, and eventually the prisoner's words and desperate, violent actions have the lawmen questioning what's really been happening in Stapleford... Can Robin and John complete the mission they've been given, or will their own innate sense of justice lead them down an unexpected path? Fans of the bestselling Forest Lord series will love this exciting stand-alone tale that cleverly explores the themes of morality and justice in medieval England. "A delightfully crafted, deceptively simple little glimpse of life in early 14th Century England." - 5 Stars Steve Denton of Speesh Reads THE RESCUE When a faithful friend goes missing from an English village it's up to an unlikely hero to find out what's happened in this action-packed tale. "Once again Steven A. McKay delivers a story that, although short, hits like an arrow in the guts." - Stuart S. Laing, author of Jezebel's Chains

Daughter of the Forest is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love. Lord Colum of Sevenwaters is blessed with six sons: Liam, a natural leader; Diarmid, with his passion for adventure; twins Cormack and Conor, each with a different calling; rebellious Finbar, grown old before his time by his gift of the Sight; and the young, compassionate Padriac. But it is Sorcha, the seventh child and only daughter, who alone is destined to defend her family and protect her land from the Britons and the clan known as Northwoods. For her father has been bewitched, and her brothers bound by a spell that only Sorcha can lift. To reclaim the lives of her brothers, Sorcha leaves the only safe place she has ever known, and embarks on a journey filled with pain, loss, and terror. When she is kidnapped by enemy forces and taken to a foreign land, it seems that there will be no way for her to break the spell that condemns all that she loves. But magic knows no boundaries, and Sorcha will have to choose between the life she has always known and a love that comes only once. Juliet Marillier is a rare talent, a writer who can imbue her characters and her story with such warmth, such heart, that no reader can come away from her work untouched. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Lara, using her newfound magical abilities, lifts an ancient curse and earns the love of Terah's ruler, Magnus Hauk, who accompanies her back to Hetar, where, while trying to thwart a civil war, they are threatened by the animosity of a dangerous enemy.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an

unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

A beautiful synthesis of Robin Hood legends. --Marion Zimmer Bradley With her king a captive and her coffers drained, England is left in turmoil during the Crusades. After the death of her father in the Holy Land, Lady Marian of Ravenskeep finds herself alone--and at the mercy of men vying for her lands and her beauty. Thrust into games of political intrigue, the sheltered knight's daughter soon learns to trust no one. . . . Afforded a hero's homecoming, Sir Robert of Locksley returns from the Crusades a shattered man. In a country he barely recognizes, one torn apart by treachery and betrayal, he finds in Marian a kindred soul. Their quest for justice will take them into the depths of Sherwood Forest, where the dream of a new England will be born. . . . "An imaginative and riveting novel, impossible to put down." --Booklist "Robinson expertly evokes the sensations and frustrations of medieval life." --Kirkus "A diverting, delightful book." --Publishers Weekly

New York Times and USA TODAY bestselling author and master of romance Bertrice Small welcomes you to the magical, sensual World of Hetar. For Lara, a half faerie, half human, her beauty is a blessing and a curse. Sold into a Pleasure House by her father, she commits herself to a lifetime of servitude. But even in a place where pleasure is not censured but encouraged, her otherworldly beauty proves too much for her suitors. When Lara escapes, she is introduced to a new way of life, and an incredible man who opens her eyes to the growing unrest among their people...and the extraordinary destiny that awaits her. Lara will journey the depths of desire and despair to find a love that will last an eternity—a love that will change Hetar forever.
