In THE FIVE TEMPTATIONS OF A MANAGER Pat Lencioni delivers a provocative message. Managers mainly have themselves to blame when things go wrong. If you're a manager do you have the courage to face it? Doing so could change your future - for the better. All managers who fail make the same basic mistakes; they succumb to one - or more - of THE FIVE TEMPTATIONS OF A MANAGER. In this insightful and entertaining book, Patrick Lencioni reveals how to recognize - and overcome - the five major pitfalls of leadership. Told as an enthralling fable, this charming book will show you how to: " Keep sight of what really counts - results " recognise your flaws - and rise above them " use conflict positively " motivate others to achieve superior results " become a more effective manager

In The Five Dysfunctions of a Team Patrick Lencioni once again offers a leadership fable that is as enthralling and instructive as his first two best-selling books, The Five Temptations of a CEO and The Four Obsessions of an Extraordinary Executive. This time, he turns his keen intellect and storytelling power to the fascinating, complex world of teams. Kathryn Petersen, Decision Tech's CEO, faces the ultimate leadership crisis: Uniting a team in such disarray that it threatens to bring down the entire company. Will she succeed? Will she be fired? Will the company fail? Lencioni's utterly gripping tale serves as a timeless reminder that leadership requires as much courage as it does insight. Throughout the story, Lencioni reveals the five dysfunctions which go to the very heart of why teams even the best ones-often struggle. He outlines a powerful model and actionable steps that can be used to overcome these common hurdles and build a cohesive, effective team. Just as with his other books, Lencioni has written a compelling fable with a powerful yet deceptively simple message for all those who strive to be exceptional team leaders.

Casey McDaniel had never been so nervous in his life. In just ten minutes, The Meeting, as it would forever be known, would begin. Casey had every reason to believe that his performance over the next two hours would determine the fate of his career, his financial future, and the company he had built from scratch. " How could my life have unraveled so quickly? " he wondered. In his latest page-turning work of business fiction, best-selling author Patrick Lencioni provides readers with another powerful and thought-provoking book, this one centered around a cure for the most painful yet underestimated problem of modern business: bad meetings. And what he suggests is both simple and revolutionary, Casey McDaniel, the founder and CEO of Yip Software, is in the midst of a problem he created, but one he doesn 't know how to solve. And he doesn 't know where or who to turn to for advice. His staff can 't help him; they 're as dumbfounded as he is by their tortuous meetings. Then an unlikely advisor, Will Peterson, enters Casey 's world. When he proposes an unconventional, even radical, approach to solving the meeting problem, Casey is just desperate enough to listen. As in his other books, Lencioni provides a framework for his groundbreaking model, and makes it applicable to the real world. Death by Meeting is nothing short of a blueprint for leaders who want to eliminate waste and frustration among their teams, and create environments of engagement and passion.

The Temptations were the most commercially successful and critically lauded male vocal group of the Sixties and early Seventies. Through the years, the group's trademark razor-sharp choreography, finely tuned harmonies, and compelling vocals made them the exemplars of the Motown style. This is the frank, revealing story of the legendary supergroup, told by its founder.
