From the garage to the Googleplex The Google story begins in 1995 at Stanford University. Larry Page was considering Stanford for grad school and Sergey Brin, a student there, was assigned to show him around. By some accounts, they disagreed about nearly everything during that first meeting, but by the following year they struck a partnership.

[How we started and where we are today - Google](#)

The Google Story is a quick read, told in chronological order, and written in a clear, informative writing style that is somewhat marred by the authors' obvious idolatry for Page and Brin. The Google Story was a fascinating peek into the biggest brand and arguably the most successful technology company of all times.
