The Great Little Madison (Unforgettable Americans): Fritz ...

The Great Little Madison by Jean Fritz was a great book. This book was about the war of 1812. James Madison had become president of the the united states. The British was in a war with america again. James Madison had to flee the white house because of the british. This book was very challenging to read but in the end a really great book. I recomened this book to people who like to read a lot about history.
