The Theseus story is told in King Must Die and Bull from the Sea, and the parallel Alexander one in Fire from Heaven, the Persian Boy (my favorite) and Funeral Games. Last of the Wine is a lovely picture of Greece's golden age with Socrates and Plato, and the Praise Singer much earlier in history. The readers are adequate and the books are unabridged. An adaptation of the legend of Theseus who masters the art of bull leaping and slays the Minotaur in the process of fulfilling his destiny

New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is “one of the truly fine historical novels of modern times” (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in The King Must Die. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault’s Theseus is an utterly lifelike figure—a king of immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus’s adventures from Troizen to Eleusis, where the death in the book’s title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-turner as well as a daring act of imagination. Renault’s story of Theseus continues with the sequel The Bull from the Sea. This ebook features an illustrated biography of Mary Renault including rare images of the author.

Ancient Athens paid tribute to its Cretan overlord each year by sending the finest of its sons and daughters to Crete each year to be trained for "bull-dancing", a sport that cost the Athenian youths their lives. Theseus, prince of Athens, substitutes himself for one of the youths and sails out to meet his fate in the ring.

This brilliant retelling of the story of Theseus, the king of Athens, brings Greek mythology vividly to life and remains 'one of the truly fine historical novels of modern times' (The New York Times) Theseus is the grandson of the King of Troizen, but his paternity is shrouded in mystery - can he really be the son of the god Poseidon? When he discovers his father's sword beneath a rock, his mother must reveal his true identity: Theseus is the son of Aegeus, King of Athens, and is his only heir. So begins Theseus's perilous journey to his father's palace to claim his birthright, escaping bandits and ritual king sacrifice in Eleusis, to slaying the Minotaur in Crete. Renault reimagines the Theseus myth, creating an original, exciting story. 'Mary Renault's portraits of the ancient world are fierce, complex and eloquent, infused at every turn with her life-long passion for the Classics. Her characters live vividly both in their own time, and in ours' (Madeline Miller, bestselling author of Circe) 'Mary Renault is a shining light to both historical novelists and their readers' (Hilary Mantel, bestselling author of Wolf Hall)

'Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us' HILARY MANTEL 'Mary Renault's portraits of the ancient world are fierce, complex and eloquent, infused at every turn with her life-long passion for the Classics. Her characters live vividly both in their own time, and in ours' MADELINE MILLER The sequel to The King Must Die. The Bull from the Sea continues the story of the hero Theseus after his return from Crete. Having freed the city of Athens from the onerous tribute demanded by the ruler of Knossos - the sacrifice of noble youths and maidens to the appetite of the Labyrinth's monster - Theseus has returned home to find his father dead and himself the new king. But his adventures have only just begun: he still must confront the Amazons, capture their queen, Hippolyta, and face the tragic results of Phaedra's jealous rage. Piecing together the fragments of myth and using her deep understanding of the cultures reflected in these legends, Mary Renault has constructed an enthralling narrative of a time when heroes battled monsters and gods strode the earth. 'There's much to say about her interweaving of myth and history and, just as interestingly, there's much to wonder at in the way she fills in the large dark spaces where we know next to nothing about the times she describes . . . an important and wonderful writer . . . she set a course into serious-minded, psychologically intense historical fiction that today seems more important than ever' Sam Jordison, Guardian

The story tells of the conqueror ’ s two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great appears in all of his colors—as the man who first takes someone ’ s life at age twelve and who swiftly eliminates his rivals as soon as he comes to power—and emerges as a captivating, complex, larger-than-life figure. A New York Times – bestselling novel of the ancient king of Macedon and his lover by the author Hilary Mantel calls “ a shining light. ” The Persian Boy centers on the most tempestuous years of Alexander the Great ’ s life, as seen through the eyes of his lover and most faithful attendant, Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on the Macedon king ’ s life abound. The result is a riveting account of a great conqueror ’ s years of triumph and, ultimately, heartbreak.
