Nurses, What Were The Most Haunting Last Words From Patients? [AskReddit] *The Last Word Women Death*
Based on years of fieldwork in both rural and urban Greece, *The Last Word* explores women's cultural resistance as they weave together diverse social practices: improvised antiphonic laments, divinatory dreaming, the care and tending of olive trees and the dead, and the inscription of emotions and the senses on a landscape of persons, things, and places. These practices compose the empowering poetics of the cultural periphery.
