In his widely acclaimed new collection of stories, Julian Barnes addresses what is perhaps the most poignant aspect of the human condition: growing old. The characters in *The Lemon Table* are facing the ends of their lives – some with bitter regret, others with resignation, and others still with defiant rage. Their circumstances are just as varied as their responses.

Sex is the troublesome roundabout, as hard for some to enter as for others to exit. Still, as Julian Barnes' collection in "The Lemon Table" (2004) makes ever so clear, from adolescence to senescence (which many of the characters in these stories are approaching), they are nearly always ready for a go.

- Julian Barnes The quotation pretty much sums up "The Lemon Table" both in its content and tone. Published in 2004, it is a collection of eleven stories on aging and dying. Julian Barnes allegedly once wrote "I am a writer for...one presiding major reason: because I believe that the best art tells the most truth about life."

The Lemon Table: Stories: Julian Barnes: 9781400042142 ...

'In *The Lemon Table* Julian Barnes presents us with a range of tales about the bitterness of old age, admirably unsoftened by saccharine sentimentality. A depressing theme, you might think, but these stories, though bleak, are exhilaratingly crisp, crystallised by Barnes's wintry intelligence.

Editions of The Lemon Table by Julian Barnes

In a word: *The Lemon Table* is Barnes at his profound, dexterous best." *Esquire* " [Julian Barnes is] one of the most gifted contemporary shapers of prose, possessed of a remarkable limberness of form and voice, and an unconstrained literary imagination."

Master prose stylist Julian Barnes presents a collection of stories whose characters are growing old and facing the end of their lives -- some with bitterness, some with resignation and others with raging defiance. " Life is just a premature reaction to death, " was what Viv ' s husband used to say. Once her lover and friend, he is now Viv ' s semi-helpless charge, who is daily sinking ever deeper into dementia. In " Appetite, " Viv has found a way to reach her husband: by reading aloud snippets of recipe books until he calls out indelible -- and sometimes unfortunate -- scenes locked away in his brain. In " The Things You Know, " two elderly friends enjoy their monthly breakfast meetings that neither would ever think of missing. Of course, all they really have in common is a fondness for flat suede shoes and a propensity for thinking spiteful, unspoken thoughts about one another ' s dead husbands. " The Fruit Cage " is narrated by a middle-aged man whose seemingly orderly upbringing is harrowingly undone when he discovers that his parents ' old age is not necessarily a time of serenity but actually an age of aroused, perhaps violent, passions. In these stories, Julian Barnes displays the erudition, wit and uncanny insight into the human mind that mark him as one of today ' s great writers, one whose intellect and humour never obscure a genuine affection for his characters.

In his widely acclaimed new collection of stories, Julian Barnes addresses what is perhaps the most poignant aspect of the human condition: growing old. The characters in *The Lemon Table* are facing the ends of their lives – some with bitter regret, others with resignation, and others still with defiant rage. Their circumstances are just as varied as their responses. In 19th-century Sweden, three brief conversations provide the basis for a lifetime of longing. In today ' s England, a retired army major heads into the city for his regimental dinner – and his annual appointment with a professional lady named Babs. Somewhere nearby, a devoted wife calms (or perhaps torments) her ailing husband by reading him recipes. In stories brimming with life and our desire to hang on to it one way or another, Barnes proves himself by turns wise, funny, clever, and profound – a writer of astonishing powers of empathy and invention.

From the hairdressing salon where an old man measures out his life in haircuts, to the concert hall where a music lover carries out an obsessive campaign against those who cough in concerts; from the woman reading elaborate recipes to her sick husband as a substitute for sex, to the woman 'incarcerated' in an old people's home beginning a correspondence with an author that enriches both their lives - all Barnes' characters, in their different ways, square up to death and rage against the dying light.

Grotesque visionary Sir Jack Pitman has an idea. Since most people are too lazy to travel from landmark to landmark, why not simplify things and create a new England on the Isle of Wight? Unfortunately, his idea is a huge success, and the resulting theme park threatens to supersede the original. Called England, England, it has all the elements of "Old England" in one convenient location. Wander into the new Sherwood Forest and you may spot Robin Hood and his now sexually ambiguous Merrie Men. Or take a stroll to see Stonehenge and Anne Hathaway's Cottage, enjoy a ploughman's lunch atop the White Cliffs of Dover, then pop over to see the Royals, now on contract to Sir Jack, in their scaled-down version of Buckingham Palace. Every detail has been considered: even the postcards come pre-stamped! Julian Barnes' first novel in six years is a ferociously funny examination of the search for authenticity and truth in a fabricated world.

From a writer who's on a roll, fourteen stories that range freely through the historical past and contemporary life, touching on longing and love, loss and friendship, and a great many passions in between. It's the strongest collection yet from Julian Barnes. From an imperial capital in the eighteenth century to Garibaldi's adventures in the nineteenth, from the vineyards of Italy to the English seaside in our time, Julian Barnes finds the "stages, transitions, arguments" that define us. A newly divorced real estate agent can't resist invading his reluctant girlfriend's privacy, but the information he finds reveals only his callously shallow curiosity. A couple comes together through an illicit cigarette and a song shared over the din of a Chinese restaurant. A widower revisiting the Scottish island he'd treasured with his wife learns how difficult it is to purge oneself of grief. And throughout, friends gather regularly at dinner parties and perfect the art of cerebral, sometimes bawdy banter about the world passing before them. Whether domestic or extraordinary, each story pulses with the resonance, spark and poignant humor for which Barnes is justly heralded.

Winner of the 2011 Man Booker Prize By an acclaimed writer at the height of his powers, *The Sense of an Ending* extends a streak of extraordinary books that began with the best-selling *Arthur & George* and continued with *Nothing to Be Frightened Of* and, most recently, *Pulse*. This intense new novel follows a middle-aged man as he contends with a past he has never much thought about—until his closest childhood friends return with a vengeance, one of them from the grave, another maddeningly present. Tony Webster thought he ' d left all this behind as he built a life for himself, and by now his marriage and family and career have fallen into an amicable divorce and retirement. But he is then presented with a mysterious legacy that obliges him to reconsider a variety of things he thought he ' d understood all along, and to revise his estimation of his own nature and place in the world. A novel so compelling that it begs to be read in a single sitting, with stunning psychological and emotional depth and sophistication, *The Sense of an Ending* is a brilliant new chapter in Julian Barnes ' s oeuvre.

Julian Barnes, author of the Man Booker Prize – winning novel *The Sense of an Ending*, gives us his most powerfully moving book yet, beginning in the nineteenth century and leading seamlessly into an entirely personal account of loss—making *Levels of Life* an immediate classic on the subject of grief. *Levels of Life* is a book about ballooning, photography, love and loss; about putting two things, and two people, together, and about tearing them apart. One of the judges who awarded Barnes the 2011 Booker Prize described him as " an unparalleled magus of the heart. " This book confirms that opinion. " Spare and beautiful...a book of rare intimacy and honesty about love and grief. To read it is a privilege. To have written it is astonishing. " —Ruth Scurr, *The Times of London* " A remarkable narrative that is as raw in its emotion as it is characteristically elegant in its execution. " —Eileen Battersby, *The Irish Times* This ebook edition includes a reading group guide.

A kind of detective story, relating a cranky amateur scholar's search for the truth about Gustave Flaubert, and the obsession of this detective whose life seems to oddly mirror those of Flaubert's characters.

In *Love*, etc. Julian Barnes has created a deep, dark feast of human frailties and needs. *Love*, etc. stars three characters introduced a decade ago in *Talking It Over* — to which this novel has an eerie, freestanding relation. Which is precisely what Stuart felt about his wife Gillian, until his witty, feckless, former best friend Oliver stole her away. Fabulously engaging and profoundly unsettling.

Anyone who loves France (or just feels strongly about it), or has succumbed to the spell of Julian Barnes's previous books, will be enraptured by this collection of essays on the country and its culture. Barnes's appreciation extends from France's vanishing peasantry to its hyper-literate pop singers, from the gleeful iconoclasm of nouvelle vague cinema to the orgy of drugs and suffering that is the *Tour de France*. Above all, Barnes is an unparalleled connoisseur of French writing and writers. Here are the prolific and prapic Simonon, Baudelaire, Sand and Sartre, and several dazzling excursions on the prickly genius of Flaubert. Lively yet discriminating in its enthusiasm, seemingly infinite in its range of reference, and written in prose as stylish as haute couture, *Something to Declare* is an unadulterated joy.
