Strategic Theory for the 21st Century: The Little Book on ...

Author: Dr Harry R Yarger. The word “ strategy ” pervades American conversation and our news media and is most often used as a general term for a plan, a concept, a course of action, or a “ vision ” of the direction in which to proceed at the personal, organizational, and governmental—local, state, or federal—levels. Such casual use of the term to describe nothing more than “ what we would like to do next ” is inappropriate and belies the complexity of true strategy and strategic ...

“ This Little Book is an attempt to bring together the various fields and activities related to peacebuilding to integrate them into one conceptual framework. At the core of this framework is the idea of strategic peacebuilding, an interdisciplinary, coordinated approach to building a sustainable justpeace—a peace with justice. Strategic peacebuilding requires clear goals.
