~~THE SETH DREAM & LUCID DREAM RETREAT~~

Lucid dreaming is dreaming while being aware that you are dreaming. Lucid dreaming advocates strive to control and guide their dreams. Some desire to avoid recurring nightmares. Others desire fun. Some New Age lucid dreamers, however, believe that lucid dreaming is essential for self-improvement and personal growth.

Do you ever wonder what answers are waiting for you, buried deep within your subconscious? Bring lucidity to your dreams to help unlock the secrets of your unconscious mind! Lucid dreaming is the practice of taking control of your dreamscape. Most people think about exciting their slumber with flight through lucid dreaming, and while this is entirely within the lucid dreamers reach, it also offers up much more than that. Expert Robert Waggoner, who has logged over 1000 lucid dreams, shares his experience to help illuminate your dream world. Learn how to dream with intention and accomplish goals in your sleep. Peppared with personal stories, Waggoner shows you what to look for, how to stay focused, and how to log your lucid dreams to make the process of connecting to your subconscious mind easier with every doze. Lessons in focus and attention while sleeping help you become mindfully aware of your interactions in the real world as well. Lucid dreamers boast improved cognitive function, deeper sleep, and an alertness to the inner workings of their psyche. The elusive and intriguing world of lucid dreaming is now open to you with The Lucid Dreaming Pack. Complete with a book to guide along you along the process of taking control of your dreams and an 80 page dream journal for you to log all of your unconscious adventures. No night stand is complete without it.

While lucid (consciously aware) in the dream state and able to act and interact with dream figures, objects, and settings, dream expert Robert Waggoner experienced something transformative and unexpected. He was able to interact consciously with the dream observer--the apparent Inner Self--within the dream. At first this seemed shocking, even impossible, since psychology normally alludes to such theoretical inner aspects as the Subliminal Self, the Centre, the Internal Self--Helper in vague and theoretical ways. Waggoner came to realize, however, that aware interaction with the Inner Self was not only possible, but actual and highly inspiring. He concluded that while aware in the dream state, one has both a psychological tool and a platform from which to understand dreaming and the larger picture of man's psyche as well.

Wake up and dream. Imagine experiencing all the things that happen in dreams, but with one extraordinary difference: You are “lucid”--consciously, joyously in control. Not just an adventure (yes, you can fly), a lucid dream is a time ripe for creative thinking, healing, inspiration, and self-knowledge. This lively dream guide shows step-by-step how to become lucid, and then what to do once awake in the dream world. Here’s how to reconnect with dreams, and the importance of keeping a journal and timing REM cycles. How to use simple reality checks to differentiate between waking and sleeping states. How to incubate a dream to solve a problem. With every dream we are washing up on the shores of our own inner landscape. Now, learn to explore this strange and thrilling world.

Aimed at beginners, Lucid Dreaming, Plain and Simple shows the reader how to enter and fully experience the lucid dreaming. Among the amazing things Waggoner and McCready teach readers are how to: consciously decide what actions to perform explore dream space (or the contents of your subconscious) interact with dream figures conduct personal and scientific experiments be free of waking state limitations (e.g., flying, walking through walls, and discovering creative solutions to waking issues) This book approaches lucid dreaming from a more cognitive psychology stance, and focuses more on how to lucid dream and how to use lucid dream techniques for personal growth, insight and transformation. Whether a reader is completely new to lucid dreaming or someone who has experienced that incredible moment of realizing, "This is a dream!," readers will learn valuable tips and techniques gleaned from scientific research and decades of experience to explore this unique state of awareness more deeply.

Lucid Dreaming: Gateway to the Inner Self is the account of an extraordinarily talented lucid dreamer who goes beyond the boundaries of both psychology and religion. In the process, he stumbles upon the Inner Self. While lucid (consciously aware) in the dream state and able to act and interact with dream figures, objects, and settings, dream expert Robert Waggoner experienced something transformative and unexpected. He was able to interact consciously with the dream observer - the apparent Inner Self - within the dream. He concluded that while aware in the dream state, one has both a psychological tool and a platform from which to understand dreaming and the larger picture of man's psyche as well. Waggoner proposes 5 stages of lucid dreaming and guides readers through them, offering advice for those who have never experienced the lucid dream state and suggestions for how experienced lucid dreamers can advance to a new level. Lucid Dreaming offers exciting insights and vivid illustrations that will intrigue not only avid dreamworkers but anyone who is interested in consciousness, identity, and the definition of reality.

Dreams of Awakening is a thorough and exciting exploration of lucid dreaming theory and practice within both Western and Tibetan Buddhist contexts. It not only explores lucid dreaming practices, but also the innovative new techniques of Mindfulness of Dream and Sleep, the holistic approach to lucidity training which the author co-created. The book is based on over 12 years of personal practice and the hundreds of lucid dreaming workshops which Charlie has taught around the world, in venues as diverse as Buddhist temples and dance-music festivals. Using a three-part structure of Ground, Path and Germination the reader is given a solid grounding in:. the history and benefits of lucid dreaming . cutting edge research from dream and sleep scientists.. entering the path of learning to do the practices. prophetic dreams, lucid living, out of body experiences and quantum dreaming.Although Dreams of Awakening presents many different angles on how to make the 30 years we spend asleep more worthwhile, the fundamental aim of the book is to teach people how to lucid dream their way to psychological and spiritual growth. This book is for all those who want to wake up, both in their dreams and waking lives.

A dynamic exposition of the powerful, ancient Sephardic tradition of dreaming passed down from the renowned 13th-century kabbalist Isaac the Blind • Includes exercises and practices to access the dream state at will in order to engage with life in a state of enhanced awareness • Written by the close student of revered kabbalist Colette Aboulker-Muscat In Kabbalah and the Power of Dreaming Catherine Shainberg unveils the esoteric practices that allow us to unlock the dreaming mind's transformative and intuitive powers. These are the practices used by ancient prophets, seers, and sages to control dreams and visions. Shainberg draws upon the ancient Sephardic Kabbalah tradition, as well as illustrative stories and myths from around the Mediterranean, to teach readers how to harness the intuitive power of their dreaming. While the Hebrew Bible and our Western esoteric tradition give us ample evidence of dream teachings, rarely has the path to becoming a conscious dreamer been articulated. Shainberg shows that dreaming is not something that merely takes place while sleeping--we are dreaming at every moment. By teaching the conscious mind to be awake in our sleeping dreams and the dreaming mind to be manifest in daytime awareness, we are able to achieve revolutionary consciousness. Her inner-vision exercises initiate creative and transformative images that generate the pathways to self-realization.
