Being an informed investor means learning to tune out the hype and focus on meaningful factors. And you need information for today, not ten or twenty years ago. David and Tom Gardner and the team at the Motley Fool show how to spot volatile young companies, and make sense of investing today.

For Making Sense of Investing Today...the Fully Revised and Expanded Edition of the Bestselling The Motley Fool Investment Guide Today, with the Internet, anyone can be an informed investor. Once you learn to tune out the hype and focus on meaningful factors, you can beat the Street. The Motley Fool Investment Guide, completely revised and updated with clear and witty explanations, deciphers all the new information -- from evaluating individual stocks to creating a diverse investment portfolio. David and Tom Gardner have investing ideas for you -- no matter how much time or money you have. This new edition of The Motley Fool Investment Guide is built for today's investor, sophisticate and novice alike, with updated information on: Finding high-growth stocks that will beat the market over the long term Identifying volatile young companies that traditional valuation measures may miss Using Fool.com and the Internet to locate great sources of useful information

A guide to becoming financially independent with tips on saving and investing.

Drawing on lessons learned in the past few turbulent years, the revised Motley Fool Investment Workbook shows how The Motley Fool's popular investment strategies continue to help regular people beat Wall Street's best money managers -- in good times and in bad. Updated to reflect today's whipsaw economy, you will learn how to evaluate a company's financial performance, which mutual funds make sense, and where to find havens for your retirement savings. Demonstrating how to value companies in a roller-coaster era -- and providing more useful work sheets and space for tracking goals than ever before -- this new edition gives you all the information and calculations you need to make smart investment moves now, including how to: Figure out how much money you have to invest Devise a sensible -- and profitable -- investment strategy Select winning stocks Purchase stocks in the cheapest and fastest way possible Protect your investments and learn when -- if ever -- to let them go Brimming with worksheets, charts, and real-world examples -- all wrapped up by The Fool's trademark sense of humor -- The Motley Fool Investment Workbook will help you take control of your own financial destiny one step -- and one dollar -- at a time.

A completely revised and updated edition of an investing classic to help readers make sense of investing today, full of "solid information and advice for individual investors" (The Washington Post). Today, anyone can be an informed investor, and once you learn to tune out the hype and focus on meaningful factors, you can beat the Street. The Motley Fool Investment Guide, completely revised and updated with clear and witty explanations, deciphers all the current information-from evaluating individual stocks to creating a diverse investment portfolio. David and Tom Gardner have investing ideas for you, no matter how much time or money you have. This new edition of The Motley Fool Investment Guide is designed for today's investor, sophisticate and novice alike, with the latest information on: Finding high-growth stocks that will beat the market over the long term Identifying volatile young companies that traditional valuation measures may miss -Using online sources to locate untapped wellsprings of vital information The Motley Fool rose to fame in the 1990s, based on its early recommendations of stocks such as Amazon.com, PayPal, eBay, and Starbucks. Now this revised edition is tailored to help investors tackle today's market. "If you've been looking for a basic book on investing in the stock market, this is it...The Gardners help empower the amateur investor with tools and strategies to beat the pros" (Chicago Tribune).

Draws on a groundbreaking experiment by the multi-media financial education company to demonstrate strategies for building a seven-figure portfolio, revealing proprietary methods for uncovering market-beating stocks. (Personal Finance)

THE NEW YORK TIMES BESTSELLER From the bestselling authors of The Motley Fool Investment Guide and its successful, savvy prequel, The Motley Fool's You Have More Than You Think, here's an engaging, humorous, and practical stock-picking guide, packed with Foolish insights, that caps off this invaluable personal finance trilogy from David and Tom Gardner. The Motley Fool's Rule Breakers, Rule Makers presents the sophisticated, yet easy-to-understand stock-picking methods that have kept the Motley Fool portfolio beating the Standard & Poor's averages by more than 30 percent. The key is investing in small start-up companies that have historically offered the greatest investment returns (the "rule breakers") as well as huge companies that maintain legal monopolies in their fields (the "rule makers"). The Gardner brothers explain * How to identify the best investments in today's public markets: the rule breakers and the rule makers * The definition of a "tweener" -- a maturing rule breaker -- and how to detect the Tweener Death Rattle * When to buy and when to sell, and how to manage your portfolio on a regular basis In their first two books, the Fools got you started in investing and freed you from the fees and worries that Wall Street's Wise Men have been imposing on investors for decades. Now, by sharing their methods for picking rule breakers and rule makers, they guide you through a stock market that has seen company valuations soar to unprecedented heights and that promises to continue providing roller-coaster thrills. The Motley Fools are the ultimate companions to bring along for a safe, fun, and profitable ride.

The Completely Revised and Expanded Edition of the New York Times Bestseller That Focuses on Personal Finance for Every Budget -- and Every Stage of Life Taking control of your personal finances is the first -- and most important -- step toward successful investing and a secure future. The Motley Fool You Have More Than You Think, now fully updated and expanded, provides guidance for anyone trying to balance lifestyle aspirations and financial realities. The latest edition of this Motley Fool bestseller covers topics such as: Getting out of debt...and into the stock market Turning your bank account into a moneymaker Using Fool.com and the Internet to learn about all things financial -- from buying a home to getting the best deal on a car Saving enough to send your children to the colleges of their dreams

With easy-to-follow, quick-witted exercises, you'll discover all the ways that money touches your life -- from saving and spending to insurance to retirement. Pencil your way to financial security! What would it be like to know that you were making the very best decision for every dollar you spent or saved? Can you imagine balancing your budget by the beginning of next month? Wouldn't it be great to know whether a pro's advice is right for your situation? How valuable would it be to have a customized financial plan that would serve you for life? What you hold in your hands is the first step to achieving all of the above. Whatever your income, lifestyle, or financial concerns may be, The Motley Fool Personal Finance Workbook will help you put more power into every dollar. Like a financial global positioning system, The Motley Fool Personal Finance Workbook will show you exactly where you stand right now and the most direct path to where you want to be. The Motley Fool's legendary smarts and math-made-easy will show you: -How to create a workable budget that gives you money and a life -The smartest (and fastest) way out of debt -How to set priorities to guide your financial decisions -The savviest ways to finance big purchases like a home or an education -Tactics for eliminating stress when saving for retirement -And much more... Hip, funny, and immediately useful, The Motley Fool Personal Finance Workbook is an indispensable hands-on guide for anyone looking to make the most of his or her money.
