This National Standard presents us with a fantastic opportunity to show our children and families the importance of ELC in improving outcomes for everyone. We have ambitious aspirations to help ensure that our children can realise their full potential and we hope that, by prioritising high quality ELC and unlocking choice, we will ensure that all our children have opportunities to learn, play and flourish.

Funding follows the child and the national standard for ...

The National Standard sets out what children and families should expect from their early learning experience regardless of where they access their child ' s funded hours. All ELC providers will be required to meet the Standard before they can access funding to deliver the free hours, whether they are in the public, private or

Introduction. HIQA has developed specific National Standards for Children ' s Residential Centres in Ireland. The standards outline 29 standard statements, which together offer a common language to describe what a safe and effective children ' s residential centre should look like. The standards enable a child-centred approach by focusing on outcomes for children and driving care which places each child at the centre of all that the service does.

National Standards for Children ' s Residential Centres | HIQA
National Occupational Standards (NOS) are statements of the standards of performance individuals must achieve when carrying out functions in the workplace, together with specifications of the underpinning knowledge and understanding.
