It's integral to the art of seduction, because confidence is part and parcel of what it means to be a man. You can start projecting confidence by walking tall and speaking with confidence. You might have trouble truly feeling confident at first, but the more that you cultivate these habits the more a genuine confidence is going to resonate from your core.

The book includes pictures of body language positions that were useful. Richard shares concepts related to natural seduction methods that are easy to remember. For example, the Mr. Social, Mr. Comfort and Mr. Seducer personality types through an interaction at night. Mr Social is the guy who is social and plays host. In doing so he makes the women and men feel comfortable, and the personality acts as a disqualifier that you are immediate interested in "hitting up girls".

Robert Greene, The Art of Seduction. The Feminine Dandy can seduce on a mass scale. No single woman really possesses him—he is too elusive—but all can fantasize about doing so. The key is ambiguity: your sexuality is decidedly heterosexual, but your body and psychology float delightfully back and forth between the two poles. The Masculine Dandy
