'The Never List', by Koethi Zan, extract - Telegraph

“ The Never List is a perfect entertainment. Thrilling, super smart, witty, and just about the most distracting thing in my recent life. I've stayed up past my bedtime, missed whole subway stops, left children at the playground. First readers will have to know what happens, and then they'll be awed by the flair with which Koethi Zan makes it happen.

abduction. Julie is a regular girl enjoying her life when she is suddenly kidnapped and locked in a room by a sort of religious, demented ...

Best friends Sarah and Jennifer are abducted from a cab and held captive for three years in a dungeon-like cellar by a sadistic man, a trauma Sarah tries to understand a decade later as she pursues healing and unravels a horrifying mystery.

An international bestseller from the most relentless, deeply disturbing thriller writer since Jeffery Deaver and Gillian Flynn For years, best friends Sarah and Jennifer kept what they called the “ Never List ” : a list of actions to be avoided, for safety ’ s sake, at all costs. But one night, against their best instincts, they accept a cab ride with grave, everlasting consequences. For the next three years, they are held captive with two other girls in a dungeon-like cellar by a connoisseur of sadism. Ten years later, at thirty-one, Sarah is still struggling to resume a normal life, living as a virtual recluse under a new name, unable to come to grips with the fact that Jennifer didn ’ t make it out of that cellar. Now, her abductor is up for parole and Sarah can no longer ignore the twisted letters he sends from jail. Finally, Sarah decides to confront her phobias and the other survivors—who hold their own deep grudges against her. When she goes on a cross-country chase that takes her into the perverse world of BDSM, secret cults, and the arcane study of torture, she begins

unraveling a mystery more horrifying than even she could have imagined. A shocking, blazingly fast read, Koethi Zan ' s debut is a must for fans of Karin Slaughter, Laura Lippman, and S.J. Watson.

SHE'D DO ANYTHING FOR HER HUSBAND. Julie has the perfect life A kind boyfriend, loving parents and good grades. She has everything ahead of her. Cora ' s life is a nightmare A psychopath for a husband, a violent father and a terrible secret. There ' s no way out. But one night, their worlds collide Locked in an isolated house together, they must work out what has happened – and who they can trust to set them free. From the bestselling author of *The Never List*, this is a breath-taking new thriller about the wife of a kidnapper and her relationship with his last victim. Praise for Koethi Zan: 'Psychological thriller writing at its best' Jeffery Deaver 'Should be on every mystery reader's must-read list' Tess Gerritsen

Pilgrim is the code name for a world class and legendary secret agent. His adversary is known only as the Saracen. As a young boy, the Saracen saw his dissident father beheaded in a Saudi Arabian public square, creating a burning desire to destroy the special relationship between the US and the Kingdom. When a woman's body is found in a seedy hotel near Ground Zero, the techniques are pulled from a cult classic of forensic science that Pilgrim wrote under a pen name. In offering the NYPD assistance with the case, Pilgrim gets pulled back into the intelligence underground.

Collects fourteen tales of murderous wives, deranged husbands, deceitful children, and vengeful friends.

Grim and unsettling ... a fast-paced read that is utterly absorbing.' - Kathy Reichs On the day she was abducted, Annie O'sullivan, a 32-year-old real estate agent, had three goals - sell a house, forget about a recent argument with her mother, and be on time for dinner with her ever-patient boyfriend. The open house is slow, but when her last visitor pulls up in a van as she's about to leave, Annie thinks it just might be her lucky day after all. Interwoven with the story of the year Annie spent as the captive of a psychopath in a remote mountain cabin, which unfolds through sessions with her psychiatrist, is a second narrative recounting events following her escape - her struggle to piece her shattered life back together and the ongoing police investigation into the identity of her captor. The truth doesn't always set you free. 'A heart-pounding debut. Stevens pulls out all the stops in this cat-and-mouse battle between a brilliant psychopath and his tenacious victim. By equal turns clever and compelling, this is the not-to-be missed thriller of the year.' - Lisa Gardner

'Not just a gripping mystery about a woman's abduction, a story about her hard-fought return - to self, to independence, to life. Frank, fierce, and sometimes even funny, this is a dark tale pinpricked with light - and told by an unforgettable heroine.' - Gillian Flynn, author of Sharp Objects '... a compelling, unputdownable thrill rid ... The twists are so treacherous and unexpected you'll need a neck brace by the time you finish.' - Linda Castillo, author of Sworn to Silence 'Engrossing, terrifying and ultimately full of girl-kick-ass, Still Missing will suck you in from page one.' - Chelsea Cain, author of Heartsick Still Missing is that rare debut find - a shocking, visceral,

brutal and beautifully crafted thriller.

Damaged Portland detective Archie Sheridan spent ten years tracking Gretchen Lowell, a beautiful serial killer, but in the end she was the one who caught him. Two years ago, Gretchen kidnapped Archie and tortured him for ten days, but instead of killing him, she mysteriously decided to let him go. She turned herself in, and now Gretchen has been locked away for the rest of her life, while Archie is in a prison of another kind---addicted to pain pills, unable to return to his old life, powerless to get those ten horrific days off his mind. Archie's a different person, his estranged wife says, and he knows she's right. He continues to visit Gretchen in prison once a week, saying that only he can get her to confess as to the whereabouts of more of her victims, but even he knows the truth---he can't stay away. When another killer begins snatching teenage girls off the streets of Portland, Archie has to pull himself together enough to lead the new task force investigating the murders. A hungry young newspaper reporter, Susan Ward, begins profiling Archie and the investigation, which sparks a deadly game between Archie, Susan, the new killer, and even Gretchen. They need to catch a killer, and maybe somehow then Archie can free himself from Gretchen, once and for all. Either way, *Heartsick* makes for one of the most extraordinary suspense debuts in recent memory.

Convinced that the heart she received in a transplant holds the memories of its former owner, Eden Harrison leaves for San Deigo where she meets Darcy, a young widow whose musician boyfriend has mysteriously disappeared in this new novel from the author of *The*
