The Power Broker: Robert Moses and the Fall of New York is a 1974 biography of Robert Moses by Robert Caro. The book focuses on the creation and use of power in local and state politics, as witnessed through Moses' use of unelected positions to design and implement dozens of highways and bridges, sometimes at great cost to the communities he nominally served. It has been repeatedly

named one of the best biographies of the 20th century, and has been highly influential on city planners and politic

## **The Power Broker - Wikipedia**

The Power Broker tells the story of Robert Moses, the single most powerful man in New York for almost half a century and the greatest builder America (and probably the world) has ever known. Without ever once being elected to office, he created for himself a position of supreme and untouchable authority, allowing him to utterly reshape the city of New York, turning it into the city we know today, while at the same time blighting the lives of millions and remaining accountable to no one.
