Written in a voice that is timeless in its message of understanding, *The Road Less Traveled* continues to help us explore the very nature of loving relationships and leads us toward a new serenity and fullness of life. It helps us learn how to distinguish dependency from love; how to become a more sensitive parent; and ultimately how to become one 's own true self.

Now featuring a new introduction by Dr. M. Scott Peck, the twenty-fifth anniversary edition of the classic bestseller *The Road Less Traveled*, celebrated by *The Washington Post* as "not just a book but a spontaneous act of generosity." Perhaps no book in this generation has had a more profound impact on our intellectual and spiritual lives than *The Road Less Traveled*. With sales of more than seven million copies in the United States and Canada, and translations into more than twenty-three languages, it has made publishing history, with more than ten years on the *New York Times* bestseller list. Written in a voice that is timeless in its message of understanding, *The Road Less Traveled* continues to help us explore the very nature of loving relationships and leads us toward a new serenity and fullness of life. It helps us learn how to distinguish dependency from love; how to become a more sensitive parent; and ultimately how to become one 's own true self. Recognizing that, as in the famous opening line of his book, "Life is difficult" and that the journey to spiritual growth is a long one, Dr. Peck never bullies his readers, but rather guides them gently through the hard and often painful process of change toward a higher level of self-understanding.

'Life is difficult. This is a great truth, one of the greatest truths.' A timeless classic in personal development, *The Road Less Travelled* is a landmark work that has inspired millions. Drawing on the experiences of his career as a psychiatrist, Scott Peck combines scientific and spiritual views to guide us through the difficult, painful times in life by showing us how to confront our problems through the key principles of discipline, love and grace. Teaching us how to distinguish dependency from love, how to become a more sensitive parent and how to connect with your true self, this incredible book is the key to accepting and overcoming life's challenges and achieving a higher level of self-understanding.

The founder of the *Foundation for Community Encouragement* draws on his counseling experience to lead readers to the spiritual simplicity that lies on the other side of complexity and explains how to cope with the fears and shortcomings of life

[The Road Less Traveled, Timeless Edition: A New Psychology ...](#)

Explores love, relationships, and spiritual growth, covering blame and forgiveness, the New Age movement, death and the meaning of life, and other topics.

The original *The Road Less Travelled* spent more than ten years on the bestseller lists and is one of the biggest-selling self-help books of all time. In this wonderfully wise and accessible sequel M. Scott Peck delves more deeply into the issues that confront and challenge all of us in the modern world: blame and forgiveness; sexuality and spirituality; death and the meaning of life; families and relationships; accepting responsibility and growing up. Writing throughout with insight and sensitivity, he draws on his own extensive experience -- both professional and personal -- to challenge false assumptions, suggest a way forward and demonstrate that personal change is always possible, no matter how difficult and complex the journey.

Golf. It's the ultimate head game. And when nothing but the best advice will do, along comes M. Scott Peck, M.D., the celebrated psychiatrist and author of the best-selling self-help book of all time, *The Road Less Traveled*. In *Golf and the Spirit*, M. Scott Peck writes a book for beginners and masters alike--and even for nongolfers. It goes beyond mechanics to explore the deeper issues, ways of successfully managing the emotional, psychological, and spiritual aspects of this most wonderful, maddening, deflating, and inspiring game. Playing side by side with M. Scott Peck on an imaginary course of his own design--complete with illustrations of each hole--you will come to see the profound truths in this seemingly simple game. Appreciate that life is not linear. Come to understand your own anger and how to heal that which gets in your way. Accept the gifts of humility. Appreciate kenosis, the process by which the self empties itself of self. Benefit from teachers. Know that in weakness often there is strength. Realize that to experience the blessings of golf and life fully, you must accept the divinity that underlies all things. Like the best-selling volumes of Harvey Penick and Michael Murphy, *Golf and the Spirit* makes a unique contribution to the literature of golf and life. It goes beyond the body to address the heart and soul of the game, creating a rare opportunity for transformation in the lives of its readers, both on and off the fairway. It seems to me the human condition is most basically that we are willful creatures living in a world that, much of the time, doesn't behave the way we want it to. We live in the tension between our will and reality. Sometimes with great effort and expertise, we can change reality or bend it to our will. At other times--also with great effort and expertise--it is we who must change by coming to accept the limitations of the world and of ourselves. How we do this--how we deal with the hazards of life--is quite akin to how we deal with the hazards of a golf course. Sooner or later golfers who stick with the game long enough will almost always come to see it as a metaphor for life. But the word metaphor fails to do justice to all that golf has to teach us. I would go even further and say that, in its own way, golf is life and, not only that, life condensed. If we choose to use it as such, I believe that golf, next to marriage and parenthood, can routinely be the greatest of life's learning opportunities.

Perhaps no book has had a more profound impact on intellectual and spiritual lives than "The Road Less Traveled." In his new Introduction, Dr. Peck recalls how this book evolved from his own early ideas as a therapist who was just beginning his own spiritual growth.

From alternatives to the Carnival in Rio and the beaches of Thailand to substitutes for the most visited national parks and over-rated restaurants; *The Road Less Travelled* will help you find less crowded, sometimes less expensive and often more spectacular and rewarding places to visit. Presenting 1,000 fascinating alternatives to hundreds of well-known tourist destinations and sights, this compact edition of the bestselling guide brings vibrant cities, enchanting sights, breathtaking natural wonders and unforgettable experiences to life. Written by a team of travel experts and with a foreword by Bill Bryson, *The Road Less Travelled* is divided by theme to help you find what you're looking for - Ancient and Historical Sights, Festivals and Parties, Great Journeys, Architectural Marvels, Natural Wonders, Beaches, Sports and Activities, Art and Culture, and Cities. And it's packed with informative narrative and stunning photography, plus practical advice on where to stay, where to eat, when to go and useful 'need to Know' facts to ensure that you get the most out of your time away. Escape the everyday and embrace the new with *The Road Less Travelled*.
