The Sorrows of Empire: Militarism, Secrecy, and the End of ...

In Sorrows of Empire, Johnson discusses the roots of American militarism, the rise and extent of the military-industrial complex, and the close ties between arms industry executives and high-level politicians. He also looks closely at how the military has extended the boundaries of what constitutes national security in order to centralize intelligence agencies under their control and how statesmen have been replaced by career soldiers on the front lines of foreign policy--a shift that ...

The Sorrows of Empire: Militarism, Secrecy, and the End of ...

Johnson says the American Empire is notable for being based on military bases instead of the occupation of territory. And he identifies five sorrows of empire, the first being "racism" on p28. Rightly, the author says racism is inherent in the attitudes required to dominate other cultures militarily.

The Sorrows of Empire: Militarism, Secrecy, and the End of ...

In this important national bestseller, Chalmers Johnson thoroughly explores the new militarism that is transforming America and compelling us to pick up the burden of empire. Recalling the classic warnings against militarism-from George Washington's Farewell Address to Dwight Eisenhower's denunciation of the military-industrial complex-Johnson uncovers its roots deep in our past.

The Sorrows of Empire: Militarism, Secrecy, and the End of ...

In The Sorrows of Empire Chalmers Johnson has compiled and constructed a brilliant analysis of United States military policy and its history, as well as evolution, of imperialistic tendencies. The book presents an overwhelming amount of superbly done research as well as an incredible array of statistical information to buttress the arguments that Johnson wishes to promulgate.

The Sorrows of Empire: Militarism,... book by Chalmers Johnson

The Sorrows of Empire: Militarism, Secrecy, and the End of the Republic. The Sorrows of Empire was written during the American preparations for and launching of the invasions and occupations of Afghanistan and Iraq.I began to study our continuous military buildup since World War II and the 737 military bases we currently maintain in other people's countries.

[The Sorrows of Empire] | C-SPAN.org

The landscape of this military empire is as unfamiliar and fantastic to most Americans today as Tibet or Timbuktu were to nineteenth-century Europeans. Among its recent additions are the al-Udeid air base in the desert of Qatar, where several thousand American military men and women live in air-conditioned tents, and the al-Masirah Island naval ...

Excerpt | American Empire Project

Recalling the classic warnings against militarism-from George Washington's Farewell Address to Dwight Eisenhower's denunciation of the military-industrial complex-Johnson uncovers its roots deep in our past. Turning to the present, he maps America's expanding empire of military bases and the vast web of services that support them.
