Spirit Healers are angelic beings usually encountered at a graveyard after death. These floating figures of death and rebirth return people to life where their spirit stands.[2] The Spirit Healers are Watchers, kyrian whose role is to eternally evaluate souls within the Veil. They are called to those who die to peer into the soul's inner self and evaluate whether they are ready to be dead.

The Valley Spirit A Female Story Of Daoist Cultivation ...

Valley Forge remains a touchstone - always ready to minister to a generation in crisis. The myth often obscures the actual history of the event, however. It tells us that it was the experience of tremendous suffering from cold and starvation during the encampment that forged a spirit of extraordinary patriotism among Washington's men.
