The Victorians An Wilson
Andrew Norman Wilson wrote a book Eminent Victorians and so did Lytton Strachey, but in the early 1900s, thereby confirming Strachey as an Eminent Victorian himself. However Wilson's prose makes for an eminently more readable work, and in this panoramic study of the Victorian period he describes practically every single Victorian and historical event of the period worthy of note.

Amazon.com: The Victorians (978039325430): Wilson, A. N ...

Wilson is a non-academic, but a reputable and excellent writer on a range of topics. On the surface, “The Victorians” relies on a straightforward framework, covering the era (one of the few with finite beginning and end dates) by decade from Victoria’s coronation in 1837 to her death in 1901.

The Victorians by A.N. Wilson

Verified Purchase. Andrew Norman Wilson wrote a book Eminent Victorians and so did Lytton Strachey, but in the early 1900s, thereby confirming Strachey as an Eminent Victorian himself. However Wilson's prose makes for an eminently more readable work, and in this panoramic study of the Victorian period he describes practically every single Victorian and historical event of the period worthy of note.

The Victorians. Title: The Victorians. Author: A N Wilson. Year of publication: 2008. We appreciate the impact a good book can have. We all like the idea of saving a bit of cash, so when we found out how many good quality used books are out there - we just had to let you know!

The Victorians (A N Wilson - 2008) (ID:33251) | eBay

Some readers may find Wilson's personality somewhat obtrusive: he is consistently judgmental, never fails to comment with indignation on the cruelties and injustices Victorian society, frequently brings out similarities and differences between those days and our own, is often fashionably ironic about the period, and on many occasions is idiosyncratic about the aspects on which he focuses.

The Victorians book by A.N. Wilson

As this epiphany suggests, Wilson's ambitious history of the Victorians concentrates most heavily on their religious, intellectual and literary life. He describes the book as a "portrait of an age"...

The Victorians by AN Wilson | The Independent

Wilson's serious point is this: the Victorians were different from us and not, as Matthew Sweet argued unconvincingly in last year's *Inventing the Victorians*, a smudgy facsimile. To prove that...

Review: The Victorians by AN Wilson

Despite his not being a trained historian or academic, Wilson has pulled off an impressive compendium of Victorian history stretching from the 1830s to the 1900s. The book is organised in chronological sections, which greatly facilitates the reader's understanding of the ins and outs of that exceptional era by examining events separately and then weaving them together.
