The Warmth of Other Suns Quotes by Isabel Wilkerson

An intimate epic that puts in perspective our current era, The Warmth Of Other Suns follows Ida Mae Brandon Gladney, George Swanson Starling, and Robert Joseph Pershing Foster over the tumultuous decades of the 20th century as they join the six million African-Americans fleeing southern repression in what would come to be known as the Great Migration, a watershed in American history.

Isabel Wilkerson

The Warmth of Other Suns unearths the main events which led to American's Great Migration and reshaped society. Isabel Wilkerson bends over backward to deliver us a glimpse of the truth behind Southern Blacks' resettlement in the northern and western regions of the country. Why were they actually fleeing North?
