A lavishly illustrated companion to the massively successful BBC television series based on Winston Graham's Poldark novels. The World of Poldark explores the characters, the compelling stories and the era that Winston Graham - and the television series - set out to recreate, the England that Ross Poldark returned to from the American War of Independence. England, and especially Cornwall, was then marked by social unrest and a deep division between rich and poor.

The World of Poldark on Apple Books

Ross Poldark returns to England after fighting in the American Revolution. His family and friends thought he was dead. The woman he hoped to marry is now engaged to his cousin. His father is dead, and the property he has inherited has been allowed to deteriorate. It is the late 1700s in Cornwall, England. This is a family drama, but is also about the challenges and conflicts between the rich and the poor.
