LONG TIME NO SEE Suaramu seperti embusan udara segar saat terdengar di gagang telepon. Apa kabarmu, teman? Semoga waktu memperlakukanmu dengan baik. Oh ya, tentu saja aku juga kangen padamu. Bahkan sampai detik ini, kau selalu ada di speed dial handphone-ku-dan juga hatiku. MISS YOU LIKE CRAZY Banyak yang ingin aku ceritakan padamu saat bertemu nanti. Tentang teriknya matahari, tentang indahnya rembulan, tentang ceritaku yang terjadi di antaranya. WISH YOU WERE HERE Tahukah kamu, sampai kau kembali lagi, akan selalu ada dua kursi di teras rumahku? Dan setiap sore, aku duduk di sana, membaca buku dan menunggu. Aku ingin, saat kau datang nanti, akulah orang yang pertama kali kau temui. Yang berlari ke arahmu sambil memekik tenang. Jadi orang pertama yang akan memberimu pelukan selamat datang... * TRUTH OR DARE adalah Gagas Duet, novella dari dua penulis GagasMedia: Winna Efendi dan Yoana Dianika. In the heart of County Kildare is Davenport Hall - a crumbling eighteenth-century mansion house, ancestral home to Portia Davenport, her beautiful younger sister Daisy and their dotty, eccentric mother, Lucasta. Disaster strikes when their father abandons the family, cleaning them out of the little cash they had managed to hold on to. But a ray of hope appears when Steve Sullivan, an old family friend and confirmed bachelor, suggests that they allow the hall to be used as the location for a major new movie. So Davenport Hall is taken over by the crème de la crème, including the self-centred Montana Jones, fresh out of rehab and anxious to kick-start her career, and Guy van der Post, a major sex symbol with an eye for Daisy. Throw in Ella Hepburn, Hollywood royalty and living legend, and soon there's more sex and drama off-camera than on!And Portia, who'd completely given up on love, is in for quite a surprise...

Our newly digital world is generating an almost unimaginable amount of data about all of us. Such a vast amount of data is useless without plans and strategies that are designed to cope with its size and complexity, and which enable organisations to leverage the information to create value. This book is a refreshingly practical, yet theoretically sound roadmap to leveraging big data and analytics. Creating Value with Big Data Analytics provides a nuanced view of big data development, arguing that big data in itself is not a revolution but an evolution of the increasing availability of data that has been observed in recent times. Building on the authors' extensive academic and practical knowledge, this book aims to provide managers and analysts with strategic directions and practical analytical solutions on how to create value from existing and new big data. By tying data and analytics to specific goals and processes for implementation, this is a much-needed book that will be essential reading for students and specialists of data analytics, marketing research, and customer relationship management.
