john deere touch and feel tractor touch feel children will learn through discussion exploration and hands on activities how tractors are integral to the running of a farm they will learn the parts of a tractor and sight words make a tractor using shapes and use their hands toy tractors and digging

Invites young readers to feel the textures of such things associated with a tractor as a wheel, trailer, lights, tracks, chunky tires, and a shiny hood. On board pages.

Take your baby on a touch and feel adventure on a Tractor. Stroke, tickle and touch the textures together with your baby and help them discover all about tractors. Let their little hands roam and feel the scratchy hay bales and journey through the tufty grass on the massive chunky tractor. They'll learn as you play. Twinkly, bumpy, scaly, silky, sandy, sticky and shiny textures in a chunky package: perfect for encouraging tiny fingers to explore and tiny minds to develop.

Learn to recognize things that go in Bumpy Tractor, Shiny Train, with tactile touch-and-feel

Perfect for reading aloud and encouraging early word recognition, these chunky board books are just right for babies who love to explore shape and color. Fun flaps, bright colors, and simple, bold designs will grab baby's attention. Simple, playful text makes it easy for reading aloud.

In My First Tractor, kids learn about different types of their favorite tractors, their colors, and their uses. This informational book features high-quality and engaging pictures of tractors, as well as counting and color-matching activities. Each spread has exciting facts and different labels for each part of the tractor. The images are labeled clearly and promote early learning and language skills. These books can be read either alone or with an adult. Learn about tractors all through the year with My First Tractor! This revamp of DK's most successful board books series includes updated photography, contemporary design, and an insightful approach to engaging preschoolers. With charming, bold design, clear labels, and a wide variety of topics, these first learning books encourage children to build the vocabulary and language skills that form the foundation of early education. DK's iconic My First series not only provides a collection of educational information books that children can refer back to again and again, but also offers a first taste of independent learning.
