From Primary to Post Primary - NPCpp

The move from primary to post-primary school can be difficult for any student. For students transitioning this year, there are additional hurdles to overcome since primary schools have been closed since March 12 th resulting in little, if any, preparation for the new experience in September. For all students, the school atmosphere will be different; lots of different classes and many new teachers; learning to manage a timetable, new subjects, lockers, homework and study, all of this against ...

Planning for transition when schools are closed - BBC - Home

In the context of COVID 19, all children and young people have experienced unexpected transitions such as school closure, extended time at home and learning in a different school or centre. Others may have experienced changes in family circumstances and may have changed address or care placement. Children and young people can expect to return to a school which looks quite different from that experienced previously.
