From the publisher:This book addresses the needs of advanced students. It is a comprehensive, multiple-approach textbook that provides an in-depth view of France

### Workbook

Provides advanced students an in-depth understanding of French culture and civilization by introducing them to French history and literature.

When Yvone Lenard returned to her native France and purchased a house in a hilltop village of Provence, an enchanted world of food, wines, and unusual adventures—including chicken rustling, flirtatious advances from neighbors, and a s é ance—opened up before her. This is her account of the spell cast on her by Provence, from her first morning ' s visit by a charming prince bearing a jug of the village ' s vin rose to the growth of her friendship with a duchess in the local chateau. Lenard shares tales of travels to St. Tropez and visits from American friends who find unexpected romance and magic in Provence. Told with verve, wit, and Lenard ' s deep understanding of the French language and culture, this memoir includes tales of others who have been drawn to the region, including Vincent van Gogh, Brigitte Bardot, and Princess Caroline of Monaco. Ways to re-create the magic of the region ' s sensuous way of life include recipes for food and drinks, as well as tips for entertaining in the Proven çal style.

First published in 1943, The Little Prince by Antoine de Saint-Exup é ry has been translated into more than 250 languages, becoming a global phenomenon. The Sahara desert is the scenery of Little Prince ' s story. The narrator ' s plane has crashed there and he has scarcely some food and water to survive. Trying to comprehend what caused the crash, the Little Prince appears. The serious blonde little boy asks to draw him a sheep. The narrator consents to the strange fellow ' s request. They soon become friends and the Little Prince informs the pilot that he is from a small planet, the asteroid 325, talks to him about the baobabs, his planet volcanoes and the mysterious rose that grew on his planet. He also talks to him about their friendship and the lie that evoked his journey to other planets. Often puzzled by the grown-ups ' behavior, the little traveler becomes a total and eternal symbol of innocence and love, of responsibility and devotion. Through him we get to see how insightful children are and how grown-ups aren ' t. Children use their heart to feel what ' s really important, not the eyes. Heart-breaking, funny and thought-provoking, it is an enchanting and endlessly wise fable about the human condition and the power of imagination. A book about both childhood and adulthood, it can be read as a parable, a war story, a classic children's fairy-tale, and many more things besides: The Little Prince is a book for everyone; after all, all grown-ups were children once.

At the close of the Second World War, waves of African American musicians migrated to Paris, eager to thrive in its reinvigorated jazz scene. Jazz Diasporas challenges the notion that Paris was a color-blind paradise for African Americans. On the contrary, musicians adopted a variety of strategies to cope with the cultural and social assumptions that confronted them throughout their careers in Paris, particularly as France became embroiled in struggles over race and identity when colonial conflicts like the Algerian War escalated. Using case studies of prominent musicians and thoughtful analysis of interviews, music, film, and literature, Rashida K. Braggs investigates the impact of this postwar musical migration. She examines key figures including musicians Sidney Bechet, Inez Cavanaugh, and Kenny Clarke and writer and social critic James Baldwin to show how they performed both as artists and as African Americans. Their collaborations with French musicians and critics complicated racial and cultural understandings of who could represent " authentic " jazz and created spaces for shifting racial and national identities—what Braggs terms " jazz diasporas. "

" Oates ' American saga captivates because it exists within an actual drama playing out across the country...Martyrs is a graceful and excruciating story of two families who do not live very far apart, but exist in different realities. " --USA Today, 4-star review " Successful because [Oates] refuses to satirize or dehumanize anyone, even murderous foes of abortion...With its wrath and violence, A Book of American Martyrs offers this teaspoon of warmth in these troubled times: that it is possible to be wrong without surrendering your humanity. " --Los Angeles Times " The most relevant book of Oates ' s half-century-long career, a powerful reminder that fiction can be as timely as this morning ' s tweets but infinitely more illuminating. " --Washington Post A powerfully resonant and provocative novel from American master and New York Times bestselling author Joyce Carol Oates In this striking, enormously affecting novel, Joyce Carol Oates tells the story of two very different and yet intimately linked American families. Luther Dunphy is an ardent Evangelical who envisions himself as acting out God ' s will when he assassinates an abortion provider in his small Ohio town while Augustus Voorhees, the idealistic but self-regarding doctor who is killed, leaves behind a wife and children scarred and embittered by grief. In her moving, insightful portrait, Joyce Carol Oates fully inhabits the perspectives of two interwoven families whose destinies are defined by their warring convictions and squarely-but with great empathy-confronts an intractable, abiding rift in American society. A Book of American Martyrs is a stunning, timely depiction of an issue hotly debated on a national stage but which makes itself felt most lastingly in communities torn apart by violence and hatred.

NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author ' s relationship with her own mother. Emma Watson ' s Our Shared Shelf Book Club Pick! The story of Maya Angelou ' s extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou ' s early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In Mom & Me & Mom, Angelou dramatizes her years reconciling with the mother she preferred to simply call " Lady, " revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life ' s most rich, rewarding, and fraught relationships, Mom & Me & Mom explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou ' s rise from immeasurable depths to reach impossible heights. Praise for Mom & Me & Mom " Mom & Me & Mom is delivered with Angelou ' s trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou ' s forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible. " —The Washington Post " Moving . . . a remarkable portrait of two courageous souls. " —People " [The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou ' s spectacular canon. " —Elle " Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman. " —Essence

A critical evaluation of Philip Roth—the first of its kind—that takes on the man, the myth, and the work Philip Roth is one of the most renowned writers of our time. From his debut, Goodbye, Columbus, which won the National Book Award in 1960, and the explosion of Portnoy's Complaint in 1969 to his haunting reimagining of Anne Frank's story in The Ghost Writer ten years later and the series of masterworks starting in the mid-eighties—The Counterlife, Patrimony, Operation Shylock, Sabbath's Theater, American Pastoral, The Human Stain—Roth has produced some of the great American literature of the modern era. And yet there has been no major critical work about him until now. Here, at last, is the story of Roth's creative life. Roth Unbound is not a biography—though it contains a wealth of previously undisclosed biographical details and unpublished material—but something ultimately more rewarding: the exploration of a great writer through his art. Claudia Roth Pierpont, a staff writer for The New Yorker, has known Roth for nearly a decade. Her carefully researched and gracefully written account is filled with remarks from Roth himself, drawn from their ongoing conversations. Here are insights and anecdotes that will change the way many readers perceive this most controversial and galvanizing writer: a young and unhappily married Roth struggling to write; a wildly successful Roth, after the uproar over Portnoy, working to help writers from Eastern Europe and to get their books known in the West; Roth responding to the early, Jewish—and the later, feminist—attacks on his work. Here are Roth's family, his inspirations, his critics, the full range of his fiction, and his friendships with such figures as Saul Bellow and John Updike. Here is Roth at work and at play. Roth Unbound is a major achievement—a highly readable story that helps us make sense of one of the most vital literary careers of the twentieth and twenty-first centuries.
