How can I assess my children's learning at the end of our unit about plants? This useful resource will help you to assess the knowledge of children in your class about plants. It covers the curriculum requirements for Science in year 1 asking children to name the parts of trees and plants along with their function and also to identify some familiar plants including deciduous and evergreen trees.

The Unit 1 Assessment contains multiple choice, extended response, and one response question that consists of several parts. The assessment has a variety of low level, moderate level, and high level questions which prepares them for standardized testing later in the year. I created the assessment based on the lessons that were taught in unit 1.
