Vikings were the seafaring Norse people from southern Scandinavia (present-day Denmark, Norway and Sweden) who from the late 8th to late 11th centuries raided, pirated, traded and settled throughout parts of Europe, and explored westward to Iceland, Greenland, and Vinland. In the countries they raided and

Vikings is a historical drama television series created and written by Michael Hirst for the History channel. Filmed in Ireland, it premiered on March 3, 2013, in Canada. The series is set to conclude on December 30, 2020, when the second half of the sixth season will be released in its entirety on Prime Video in Ireland, ahead of its broadcast on History in Canada.

Vikings (2013 TV series) - Wikipedia

The Vikings were made up of landowning chieftains and clan heads, their retainers, freemen, and any energetic young clan members who sought adventure and booty overseas. At home these Scandinavians were independent farmers, but at sea they were raiders and pillagers. During the Viking period the Scandinavian countries seem to have possessed a ...

Far from being just "wild, barbaric, axe-wielding pirates", the Vikings made a major impact on European history. This revised and updated edition brings together the latest research on Viking art, burial customs, class divisions, jewellery, kingship, poetry and family life.

Introduces the Vikings, discussing why they went on raids, what they wore, what their ships were like, and how they shaped history.

A comprehensive and thrilling history of the Vikings for fans of the History Channel series From Harald Bluetooth to Cnut the Great, the feared seamen and plunderers of the Viking Age ruled Norway, Sweden, and Denmark but roamed as far as Byzantium, Greenland, and America. Raiders and traders, settlers and craftsmen, the medieval Scandinavians who have become familiar to history as Vikings never lose their capacity to fascinate, from their ingeniously designed longboats to their stormy pantheon of Viking gods and goddesses, ruled by Odin in Valhalla. Robert Ferguson is a sure guide across what he

calls "the treacherous marches which divide legend from fact in Viking Age history." His long familiarity with the literary culture of Scandinavia with its skaldic poetry is combined with the latest archaeological discoveries to reveal a sweeping picture of the Norsemen, one of history's most amazing civilizations. Impeccably researched and filled with compelling accounts and analyses of legendary Viking warriors and Norse mythology, *The Vikings* is an indispensable guide to medieval Scandinavia and is a wonderful companion to the History Channel series.

The Vikings maintain their grip on our imagination, but their image is too often distorted by myth. It is true that they pillaged, looted, and enslaved. But they also settled peacefully and traveled far from their homelands in swift and sturdy ships to explore. The Age of the Vikings tells the full story of this exciting period in history. Drawing on a wealth of written, visual, and archaeological evidence, Anders Winroth captures the innovation and pure daring of the Vikings without glossing over their destructive heritage. He not only explains the Viking attacks, but also looks at Viking endeavors in commerce, politics, discovery, and colonization, and reveals how Viking arts, literature, and religious thought evolved in ways unequalled in the rest of Europe. The Age of the Vikings sheds new light on the complex society, culture, and legacy of these legendary seafarers.

*Sons of Vikings* tells the story of the Viking Age (793-1066 A.D.) through the lives of extraordinary people. Each chapter is a biography of Ragnar Lothbrok, Ivar the Boneless, Bjorn Ironside, Rollo, Brian Boru, Erik the Red, Floki, Leif Erikson, Lagertha, Alfred, Rurik, Sviatoslav, William the Conqueror, and many other heroes and villains. It provides an understanding of this pivotal historical period in a way that facts and chronologies alone cannot. *Sons of Vikings* is meticulously researched from almost 100

sources but is also not afraid to challenge conventional beliefs and offer new perspectives. It is the perfect introduction for the casual fan of Vikings in television and popular culture but also offers a new take for the well-read history enthusiast. From myths, legends, sagas, and stories, to the most-recent archeology and DNA research, this book brings the Viking Age to life.

MGM's hit show Vikings on the History Channel has drawn millions of viewers into the fascinating and bloody world of legendary Norse hero Ragnar Lothbrok, who led Viking warriors to the British Isles and France. Covering the first three seasons of the series, this official companion book delves into the real history as well as the behind-the-scenes stories. Viking historian Justin Pollard explains shipbuilding and navigation, Norse culture and religion, and the first encounters between Viking warriors and the kings of England and France. Interviews with cast and crew reveal the process of dramatizing this gripping story, from reviving the Old Norse language to choreographing battle scenes and building ancient temples for human sacrifice. This spectacular ebook is a must for fans of the show and history buffs alike. VIKINGS © 2015 TM Prods Ltd/T5 Vikings Prods Inc. VIKINGS™ TM Prods Ltd.

In the eighth century, The Vikings, the water-borne warriors of Denmark, Norway, and Sweden, conquered much of the British Isles. They pillaged the coast of France, pushed inland to sack Paris, and seized Normandy. Sweeping south down the great rivers of central Europe, they overwhelmed the Slavs of Russia, captured Kiev, and clashed with the people of Constantinople, the capital of the Byzantine Empire. In all this, the Vikings took untold treasures, but they weren't just barbarians, content to plunder and burn. They were builders of cities, founders of states, writers of poetry, and makers of laws. The Vikings also were bold and tenacious explorers who ventured across oceans to discover new territories -

## Read Book Vikings

including the New World. Indeed, not since the golden age of the Roman Empire had any people so powerfully influenced the Western world. Here, from award-winning journalist Robert Wernick, is their dramatic story.

A look at the ancient Scandinavian peoples.

The definitive history of the Vikings -- from arts and culture to politics and cosmology -- by a distinguished archaeologist with decades of expertise *The Viking Age* -- from 750 to 1050 -- saw an unprecedented expansion of the Scandinavian peoples into the wider world. As traders and raiders, explorers and colonists, they ranged from eastern North America to the Asian steppe. But for centuries, the Vikings have been seen through the eyes of others, distorted to suit the tastes of medieval clerics and Elizabethan playwrights, Victorian imperialists, Nazis, and more. None of these appropriations capture the real Vikings, or the richness and sophistication of their culture. Based on the latest archaeological and textual evidence, *Children of Ash and Elm* tells the story of the Vikings on their own terms: their politics, their cosmology and religion, their material world. Known today for a stereotype of maritime violence, the Vikings exported new ideas, technologies, beliefs, and practices to the lands they discovered and the peoples they encountered, and in the process were themselves changed. From Eirík Bloodaxe, who fought his way to a kingdom, to Gudrid Thorbjarnardóttir, the most traveled woman in the world, *Children of Ash and Elm* is the definitive history of the Vikings and their time.

An accessible account of Viking warrior culture between the eighth and eleventh centuries considers mysteries about their identities and descendants, sharing biographical sketches of such figures as Erik
